## Victory Gardeners To Get Refunds

A credit refund on water bills will again be given to victory gardeners in 1945 by the California Oregon Power company, officials said today.

All applicants should file for this special refund by May 25, in order to receive full credit for the season. Those eligible will be domestic users who have vegetable gardens with a minimum area of 400 square feet. Larger gardens will receive the maximum credit. ## FARMER ACCUSED OF CRUELTY TO DOG

VANCOUVER, Wash., April 28 (AP)—A farmer accused of tearing out the toenails of a dog which had molested his chickens was free today, the case dismissed on the basis of insufficient evidence.

A. E. Vanderhoff, the farmer, told the court yesterday that "Bud," a wirehaired terrier, probably lost his toenails because he shot him from 25 feet away with a shotgun. He denied pulling out the dog's nails one by one.

A neighbor, Mrs. Agnes Coss, testified a veterinarian who examined the terrier when he came limping painfully home said it appeared the dog's toenails were yanked out with pliers. "Bud" lost three nails on one foot and four on another, but was not otherwise injured.

Judge Paul Eiwel acquitted Vanderhoff of the charge, stating it was "improbable" a shotgun volley caused the injury, but no proof had been shown to the contrary.

Richard Dale Wedell, Springfield, is still being hunted by police. Culver, who said he had hidden on a butte near Springfield, declared he and Wedell parted shortly after their escape and he did not know the other boy's hideout.

The two escaped by tunneling through the jail's north wall with a pipe.

MERRILL—Rates for irrigation water to be used for victory gardens in Merrill have been materially reduced for the summer season following action by the city water commission at the request of the Lost River Garden club which is undertaking this year a program to stimulate interest in the growing of vegetables. The change in rates will become effective May 1.

Members will meet at 1 p. m., Monday, May 7, in the city library in Klamath Falls for a potluck luncheon, to be followed by an informal meeting. The Lost River club will furnish chicken salad and rolls and all members are urged to attend.
