

EMPLOYMENT OF STUDENTS DISCUSSED

The local branch of the state apprenticeship council met Tuesday evening in discussion of employment of minors when school is out. This was the last meeting of this council until the end of September.

Main point brought out at the meeting by Harold Teale, co-ordinator of trades and industries, was that students who plan to work during the summer or after school and weekends must obtain birth certificates before they can be employed.

Birth certificate information will be filed at the United States employment office or with Teale in room 203 at the high school. After this information is on file, work permits may be issued. These must be obtained before

Deputy Sheriff Rides Again!

PORTLAND, May 3 (AP)—A deputy sheriff was called upon for a spot of wild-steer fighting downtown yesterday, and he turned in a first class job.

Two steers escaped from slaughter houses yesterday afternoon and romped through suburbs and a cemetery just ahead of lassos. Deputy Sheriff J. E. Matteson caught up with them and shot them.

any job is taken and will be issued by O. E. Thompson at the USES. A new permit must be obtained for each separate job.

Purpose of the council is to form a liaison between employers and employees and outline a working agreement. Problems may be brought before the council where they are solved to the satisfaction of both parties.

Notice of the regulations to be observed by school students seeking employment will be read to boys and girls in their home rooms at KUHS and afterward will be posted on the boards in home rooms.

Teale will be available for council during the summer in room 203 at the high school.

Returns — John Foster of Klamath Falls, former member of the Herald and News staff, who has been residing in Los Angeles, Calif., for the past six months, returned to Klamath Falls Monday. He will reside here permanently.

CITY BRIEFS

Twins Born—Mr. and Mrs. Arlie Tripp, 1806 Portland, are parents of twins, a boy and a girl, born at Hillside hospital Thursday morning. The son, David Wesley, weighed 6 pounds 12 1/2 ounces, and the daughter, Diana Theresa, weighed 6 pounds 6 ounces. The Tripps have three other little girls. He operates an automotive repair shop at 610 Spring.

Father Overseas — PFC and Mrs. Leland J. Stoehler, 1800 Esplanade, are parents of a son, Benjamin Leland, born at Hillside hospital Wednesday. Stoehler is serving on Okinawa at the present time.

Has Operation — Billy Stonecypher, 11, son of Mr. and Mrs. Chester Stonecypher of Tulelake, is recovering from an operation for the removal of his appendix at Hillside hospital Tuesday.

Daughter Born — Mr. and Mrs. Charles E. Seavey are parents of a baby girl, their second daughter, born May 1 at Klamath Valley hospital. Seavey is manager of the Pacific Telephone and Telegraph company.

Surgery — Mrs. Tommy Tromonico, wife of the operator of Lakeshore inn, is recovering from surgery at Hillside hospital.

Commercial information pertaining to 600,000 foreign business firms is contained in the files of the U. S. department of commerce.

MEXICAN HELD FOR INDECENT EXPOSURE

Fred Vilches, 29, Texan-born Mexican, was arrested yesterday by city police at 6th and Main and charged with indecent exposure. Several complaints had been made to police charging this man with indecent exposure before young girls at N. 7th and High and elsewhere. Vilches gave his residence as San Francisco.

According to Oregon law the penalty for this act carries a sentence of three months to one year in the county jail or a fine of \$50 to \$300. Vilches is lodged in the city jail at present, but will be transferred over to the county probably sometime this afternoon.

City police are still conducting an investigation of the case and a complaint will be filed against Vilches.

Librarian Tells Stories To Children

Mrs. Addie Mae Nixon, children's librarian at the city library, is visiting all city grade schools telling fairy stories to the children. She started this work a year ago in connection with her library work to stim-

ulate children's interest in summer reading.

From the fall of 1943 to 1944, Mrs. Nixon was with the Klamath county library and went about the county telling stories to the children in county schools.

She came here from Denver where she was associated with library work, and told stories over KOA on a regular children's radio program. She has done some story telling over KFJI and is outlining a summer radio program which may be broadcast over the local station.

Bakers of ancient Rome used mechanical dough-kneaders similar to our ice cream freezers to facilitate bread making.

A gale is a wind of considerable power, stronger than a breeze, but not severe enough to be called a storm.

MUSICAL PROGRAM GIVEN KIWANIS

Members of the Klamath Falls Kiwanis club enjoyed a musical program presented at the Thursday noon luncheon in the Willard. Dean Abbott was student chairman.

The girls' chorus from Sacred Heart academy presented a group of songs including "Ave Maria," Schubert; "Panis Angelicus," "Without a Song," and "You're a Grand Old Flag," and the numbers were exceptionally well received.

Members of a quartet from the Marine Barracks and solos by two marines, were enjoyed as well as a reading, "The Base-

ball Game," by Susan Ganz and a duet by Patricia O'Leary and PFC Vincent Quinn of the marine corps. Elaine Abbott was accompanist.

HOW DO YOU KEEP YOUR TOWELS SO SNOWY-WHITE?

OH, THAT'S EASY, I USE CLOROX!

CLOROX is Extra-Gentle in bleaching. It makes white cottons and linens snowy-white (brightens fast colors), makes laundry fresh, sanitary. And Clorox lessens rubbing, thus prolonging life of fabrics.

TOWELS usually get dingier, grimmer, more stained and discolored than other white cottons and linens. That's one reason why they need the bleaching and stain-removing efficiency of Clorox to keep their whiteness up to "quest lowest" standards. Another reason they need Clorox is for the sanitation it provides. Then too, bleaching with Clorox does away with the need for vigorous rubbing that's so harmful to linens. Clorox is ultra-refined, extra-gentle... it is free from caustic, an exclusive, patented quality-feature.

For Sanitary Kitchens! Use Clorox in routine cleansing of refrigerators, sinks, drainboards, china and glassware; dishcloths and dish towels; floors, garbage containers... as an added safeguard to health. Clorox is extra-efficient in disinfecting, it also deodorizes and removes stains.

For Hygienically Clean Bathrooms! Bacteria thrive in bathrooms unless hygienically cleansed. Play safe... reduce chances of infection. Use Clorox in routine cleansing of wash-basins, bathtubs, toilet bowls; tile, enamel, linoleum, wood surfaces. Simply follow directions on the label.

AMERICA'S FAVORITE BLEACH AND HOUSEHOLD DISINFECTANT
