BOND ISSUE TO BE VOTED AT TULELAKE

TULELAKE—Electors of the Tulelake elementary school district will ballot Friday, May 18 at a special election on a proposed $45,000 bond issue to finance construction of additional space for use of students of the grade school. The extra rooms would be added as a wing, affording four classrooms, making a total of nine which will accommodate 350 students. Present capacity is 180.

The present building was completed in 1936-37 and before it was completed it became necessary to provide school accommodations for some students in small buildings on the grounds. Present enrollment, lower than normal, is 220.

Approval for the new wing has been given by Charles Bursch, chief of the division of schoolhouse planning of the department of education, who was a visitor in the community several weeks ago.

Plans call, in addition to the classrooms for a multi-use room which may be used as a cafeteria, play room for inclement weather, and school and community assembly room. Included also would be storage rooms, principal's office and first aid room.

The cafeteria at present is feeding 125 students a day and present space is inadequate, it is said.

A two-third majority is necessary for the issue to carry and members of the school board, Charles K. Wiese, Mrs. Ray Allen and Mrs. Helen Heck hope that the need for immediate action on the problem will be realized.

Francis G. Burke is elementary principal.

Canby

Many fishers left Canby on opening day of the season, few were able to produce evidence of a big catch.

Members of the Loveness Spring bowling team were told that their team placed second at the recent tournament held in Alturas. Automobile Activities took first place.

NEED FOR BUILDING BILL PASSAGE SEEN

PORTLAND, May 7 (AP) — End of the war in Europe and the announced early demobilization of two million men increases the urgency for passage of the Oregon postwar building bill, the building committee of the state board of higher education declared today.

Chairman R. E. Kleinsorge, Silverton, and committeemen Leif S. Finseth, Dallas, and A. R. Watzek, Portland, issued the statement shortly after newspaper extras on V-E Day reached the streets. Veterans will be flocking to the colleges rapidly now, beyond the capacity of present plants to care for them, they said.

"Should the building bill fail to pass," the committee said, "it would be utterly impossible for the board to meet the postwar demands at these institutions with the limited funds now appropriated for building purposes.

The committee expressed appreciation for the widespread public approval of the measure already indicated and "especially the effective educational work carried on by the volunteer group, United Citizens Committee, Inc., headed by E. C. Sammons of Portland."

Schools Approved By Eugene Voters

EUGENE, May 7 (AP)— Taxpayers of the new consolidated Eugene school district have approved, 5 to 1, a tax levy of $300,000 for new schools and transportation.

School officials announced a new junior high school will be built in the river road section and three new buses will be purchased.

ROUGH

SPOKANE, Wash., May 5 (AP) A new factor—road conditions—has been introduced in the picture of civilian need for automobile tires.

A letter from a man wishing a new casing includes:

"I almost stand up as I bounce along. How about it? It's 6 a. m. and I must begin to bounce. So long."

Potatoes

CHICAGO, May 7 (AP-WFA)—Potatoes: arrivals 180 on track 218, total U. S. shipments Saturday 373, Sunday 33.

Old stock: supplies light, for best quality demand moderate, market firm.

THANKSGIVING PROCLAIMED BY MINISTERS

On behalf of the Klamath Falls Ministerial association, Rev. Bertrand F. Peterson, president, made the following proclamation for V-E Day.

"This is the day—not for riotious and careless frivolities, but rather a time for prayerful thanksgiving for victory and continuing peace, at family altars and at services of the churches.

"It is a day for renewal of our dedications to God. It should furthermore be a time of solemn dedication, primarily to the task of spiritual rehabilitation around the whole world, where all men may live together in the enjoyment of the fruits of peace."

The First Methodist and Community Congregational churches held services in celebration of victory in Europe, at 11 a. m. today.

Rev. Victor Phillips, First Methodist minister, and Rev. F. C. Wissenbach, rector St. Paul's Episcopal church, spoke at services held in the First Methodist church.

Rev. Hugh T. Mitchelmore, Altamont Presbyterian minister, and Rev. Bertrand F. Peterson, minister of the Church of the Nazarene, spoke at the Community Congregational church services.

Addresses at both churches included praise and thanksgiving, penitence, intercession, remembrance, and dedication.

The United States normally consumes 63 per cent of the world's petroleum, 66.4 per cent of the world's rubber, approximately 55 per cent of the world's coffee and about 21 per cent of the world's sugar.

General Freed?

Maj.-Gen. Arthur W. Vanaman, USAAF, above, of Millville, N. J., may have been liberated from a German prison camp. A U. S. Army general was reported to have entered Switzerland from Germany, and General Vanaman, former commander at Wright Field, Ohio, is the only U. S. general captured by the Germans—in June, 1940. His wife, Blanche, has homes at Butler, Pa., and Kelly Field, Texas.

PURCHASE OF MILLS RANCH ANNOUNCED

MERRILL—Sale of the Lyle O. Mills ranch in the Pine Grove district, six miles east of Klamath Falls and one of the earliest settled farms in Klamath county was announced Saturday. The property, consisting of 280 acres and one of the best farming lands in the basin was purchased for an undisclosed figure by R. W. Steele and J. R. Steele of Merrill. Posession will be taken the first of next year.

The place was purchased from Charles Gray, a sheepman, in 1925 by Mills, who with his son, DeLos Mills has operated the farm, concentrating on livestock raising and general farming. No future plans were announced by the family.

The new owners have operated large holdings in the southern section of the basin for 14 years, raising principally potatoes.

The newly-acquired property has two large homesites. The Steeles recently sold a 120-acre ranch in the Malin district to William and Laddie Rajnus of Malin.

The beginnings of psychoanalysis may be marked by two dates: 1895, when Dr. Josef Breuer's and Dr. Sigmund Freud's Studien Uber Histerie was published and 1900, when Freud's Traumdeutung was published.

Miss Doveri Wins Place On Honor Roll

Elodie Doveri has been given scholastic recognition on the winter quarter honor roll at Seattle college. The honor roll, released this week by the dean's office, gives distinction to 168 students for having obtained a "B" average or better while carrying 12 or more credit hours.

The daughter of Mr. and Mrs. A. Doveri of 707 Washington in Klamath Falls, Elodie is majoring in chemistry at Seattle college. She is a graduate of the Sacred Heart academy with the class of 1944.
