LIKENESS OF ROOSEVELT TO BE ON DIMES

WASHINGTON, May 17 (AP)—Franklin D. Roosevelt's likeness is going on a new 10-cent piece. Treasury Secretary Morgenthau announced today that the new dime—which will eventually replace all dimes now in circulation—will be minted "just as promptly as we can" and that they will be ready for distribution about the end of this year.

Morgenthau, at a news conference, also announced that President Roosevelt's picture and a suitable quotation will be placed on a war bond to be issued later this year for the 8th War Loan.

"We have had literally thousands of requests to honor Mr. Roosevelt in some way during the 7th War Loan drive now going on," the secretary said. "We were so far along with this drive that we couldn't do justice to it. It will be done in the next drive."

He said the denomination of the bond has not been decided but that it might be a new denomination. He asked Washington newsmen to suggest a good quotation from President Roosevelt, and offered as his personal contribution a \$100 bond to the newsmen making the winning suggestion, with a \$50 and a \$25 bond for second and third prizes.

DE VALERA BACKS IRISH NEUTRALITY

(Continued From Page One) "I did have acted," De Valera said, and added: "By resisting temptation in this instance Mr. Churchill, instead of adding another horrid chapter to the already blood-stained records of relations between England and this country, has advanced the cause of international morality—an important step and one of the most important, indeed, that can be taken on the road to the establishment of any sure basis for peace."

Doenitz Under Investigation

LONDON, May 17 (AP)—Foreign Secretary Anthony Eden told commons today that the question of war guilt of Grand Admiral Karl Doenitz, successor to Hitler, was under investigation and that, "according to newspaper reports," Doenitz had been arrested.

He said everything was being done to track down and bring to justice Hitler's foreign minister, Joachim von Ribbentrop. He said the government had no information about his whereabouts.

In reply to another question about whether swift justice would descend upon that "loathsome criminal," Hermann Goering, Eden said firmly: "I hope so."

Quakers Show Friendliness Toward Returned Jap-Yanks

SEATTLE, May 17 (AP)—Seven members of the American Friends Service committee yesterday visited Mr. and Mrs. Shigeo Nagaisa and painted out the "No Japs Wanted" and other crudely painted signs which greeted the Japanese-American couple when they returned to their home here from a war relocation center a week ago. The Quaker group, led by Floyd Schmoor, committee secretary here, also mowed the Nagaisa's overgrown lawn.

"It's just a practical demonstration of friendship," said Schmoor. "We've been doing just this sort of thing since the first of the year. It helps, too. Pretty soon other people wander by. Some stop to talk and to help. That's what we're aiming for." First result of the visit, however, was that the three Nagaisa children, the eldest 6, ran around in the yard. "I haven't let them out much since all this"—their mother gestured toward the signs. "They're having a holiday now."

There were two signs the committee couldn't paint out. They were in the windows of neighbors' houses.

MOSCOW, May 17 (AP)—The allied handling of war criminals and the Doenitz administration at Fensburg were viewed critically in soviet Russia today, with one commentator in Red Star declaring "justice in fact is moving with its brakes on." PRICES OF HORSES UP 400 PER CENT DESPITE BLACKOUT

NEW YORK — Despite the blackout, prices of thoroughbreds have jumped 300 or 400 per cent, with few available. A one-time \$500 plater is now listed at \$2500. Owners are asking \$10,000 for a seasoned performer hitherto worth \$3000. Such inflation is attributed to the prospect of exceptionally rich stakes and purses when the sport is resumed. Horsemen believe the day of \$500 and \$1000 race horses is gone forever, and that the cheapest type will be running for \$4000 or \$5000 purses.
