

Nominate Officers For Term

Members of the Lions club elected officers for the coming year at a dinner meeting on June 5. Election is to take place on June 5. The speaker of the evening was Denton J. Rees, a member

of the local Lions club who is home on leave. He gave a very interesting account of his life and experiences as a prisoner of the Japanese. District Governor Bob Fisher, Salem, who is in Klamath Falls on an official visit, attended. Those nominated for the various offices were president, Ed Robinson; vice president, Dr. Peter H. Rozendal, Paul Ang-

stead and E. Mullis; secretary-treasurer, Everett Vanderpool; lion tamer, James Patterson and Paul A. Lee; directors, John Sandmeyer, O. V. Gibson, Ray Ward, Vern Owens, Harold Shidler and Elton Disher; tall twister, Steve Rose. If it's a "frozen" article you need, advertise for a used one in the classified.

Warren Payn To Head Firestone Store

Warren Payn, Portland, has arrived in Klamath Falls to take over the duties of manager of the Firestone store here, succeeding C. R. Kingan, who was recently transferred to the Firestone store in Portland. Payn

came here from the Westside Firestone store in Portland where he had been employed for one and one-half years. He was with the Oregonian newspaper prior to that time. Announcement has been made of the appointment of Howard Dixon as community salesman for the Firestone store here. He has assumed the position former-

ly held by M. M. Parnell, who has been advanced to district salesman. Parnell's job covers the territory of all southern Oregon. **Odd Jobs Bureau Set Up By Jaycees** An "odd jobs bureau" is being established under the sponsor-

ship of the junior chamber of commerce. All boys who are interested in earning money this summer, and who may not qualify for industrial employment, requiring work certificates, are asked to sign up at the chamber of commerce office. The boys will be listed as to

days and time available and the type of work they can do, so that anyone needing work done may call the chamber of commerce office and someone can be sent to help him. Cook small potatoes without paring and save minerals.
