

CITY, STATE MEASURES ON JUNE BALLOT

Electors of Klamath Falls will vote on three city and two state measures, and county residents will vote on the two state measures at the special election June 22. Preparations for the election are now under way at the office of County Clerk C. F. DeLap.

Voting places will be set up as usual in the 76 county precincts, including 32 in Klamath Falls.

Election boards will remain unchanged if the members of the boards are on hand to serve, DeLap said. If not, those who appear will be responsible for filling vacancies.

It is impossible for the county court to fill places on election boards prior to election as the law provides election boards shall be appointed at the January term of the county court, he stated, and it was not known last January that a special election would be held in June. New boards will be appointed next January for a term of two years, he said.

The pay of individuals serving on election boards has been increased, DeLap said, with each person now receiving \$4 per day instead of \$3 as has been the case in the past. The attorney general of the state has ruled that eight hours constitute a day, therefore election boards that serve 12 hours are entitled to a day-and-a-half's pay.

City measures to be placed on the ballot are: 1. A proposed 11 mill levy for three years to raise \$36,000 for the city-county jail. 2. A charter amendment to make possible appointments to fill vacancies in elective offices, until the next city election. 3. A proposed one-mill levy for two years to raise \$19,000 for city sewer purposes.

The two state measures to be voted upon would enact a cigarette tax to raise \$2,000,000 a year for schools, and levy a five-mill, two-year property tax to raise \$6,000,000 for new state institution buildings and \$4,000,000 for higher education buildings. The property tax, however, would not be assessed, since it would be cancelled by surplus income tax revenues.

KUHS Graduates Join Navy For Training

Walter C. Whisenant, Robert E. McLean, James M. Clabby, and Gordon E. Mallory, all graduates from KUHS with the class of 1945, have been enlisted in the navy as seaman first class radio technician (radar) and will report for active duty on June 6 as reported by the local navy recruiting station.

These men will report to Great Lakes navy training station at Chicago to start a year's training in radio and electronics after which they will receive a rating of petty officer second class. This is the largest group of radio technicians to report for active duty together from an Oregon substation.

Lt. Roenicke Now On Duty At Station

A local man reporting for duty today at the Klamath naval air station was Lt. Albert O. Roenicke, dental corps, USNR. He will be on duty at this installation as station dentist. Lt. Roenicke recently returned after a two-year tour of duty in the South Pacific, and saw action on New Guinea and the Philippines.

Roenicke, his wife and three children live at 2035 Portland in Klamath Falls.

STEWART NAMED K.I.D. SECRETARY

John L. Stewart Jr. is the new secretary of the Klamath irrigation district.

He succeeds Glenn Terrill, long-time holder of the job, who resigned to enter real estate work with M. L. Johnson.

Stewart is a veteran of this war. He went with the national guard to Fort Stevens before the war, and served four years. The new K.I.D. secretary is a native of Klamath Falls. His father, John L. Stewart, lived here about 35 years, and was a long-time employe of Ewauna Box company and of Charles Riley. The elder Stewart is now in the midwest.

Company Protests Assessment Valuation

A protest against an assessed valuation on lot 8, block 40, original town of Klamath Falls, located at Main and 9th and owned by the Central Hotel company, was made Tuesday morning at a meeting of the county equalization board. The assessed valuation is \$15,210. R. C. Dale represented the dissenting company. The matter was taken under advisement, according to Charles F. DeLap, county clerk.

It was argued that the assessment is out of proportion to other property in the same locality, DeLap said. The board includes U. E. Reeder, county judge; Newton Nelson, county assessor; and DeLap.

13 Enlist in Navy From Klamath Area

Although navy general service enlistments are on a limited quota basis, thirteen 17-year-olds from the Klamath Falls district were enlisted in May. These men are now at home on inactive duty waiting call to the U. S. navy training center at San Diego.

The future bluejackets are: Arnold D. Ellis, Bobby L. Griffith, William A. Radcliff, Harold C. Brown, Norman E. Stratton, Charles A. King, and Dean E. Abbott all from Klamath Falls; Kenneth H. Koefoed and Vernon D. Hardin from Lakeview; Chester Stonecypher, Mallin; Eugene E. Brown, Merill; Hubert M. Bay, Dorris and Charles R. Klem, Keno.

Boy Scout Region Awarded Lorillard Spencer Trophy

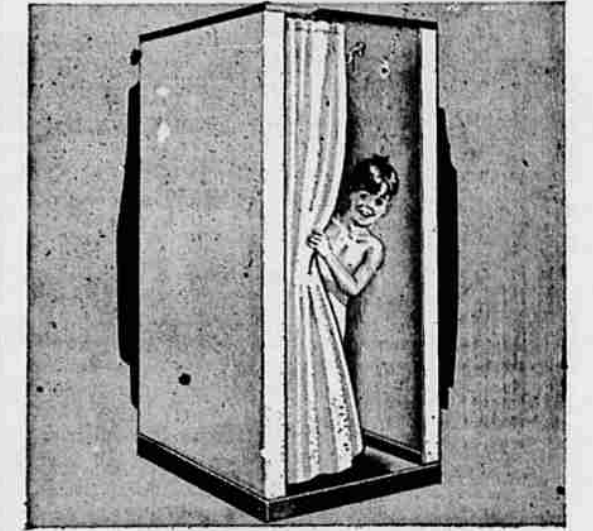

Scouts and scout leaders of Klamath Falls and the Modoc Area Council are proud this week to have had a part in bringing a national trophy of the Boy Scouts to the Pacific northwest.

O. D. Sharpe, regional scout executive for the states of Oregon, Washington, Montana, Idaho and Alaska, announced this week that this region, number 11, had won the coveted Lorillard-Spencer award for increase in total membership during 1944. The trophy is a large silver pitcher presented to the Boy Scouts of America four years ago by Mrs. Lorillard Spencer in honor of her son, the late Maj. Lorillard Spencer. The pitcher was given to her as a wedding gift in 1882, one of a pair of identical pitchers.

She plans to present the other to the Boy Scouts of the Philippines, part of the Boy Scouts of America. Mrs. Spencer spent more than a quarter of a century in the Philippines and was known as the "best friend the Moros ever had." Maj. Spencer was a member of the national executive board of the Boy Scouts at the time of his death and was president and commissioner of New York City scouting in its early days.

By coincidence, the week that marks this award also marks the passing of another hundred marker for the local Boy Scout Council. Modoc Area Council this week passed the fourteen hundred boy mark. The present total membership of the council, including its adult leaders is 1827, almost three times as
