FOUR SCOUT TROOPS SET UP IN YEAR

MT. LAKE—The enthusiastic response to the Girl Scout program at Henley last fall made it possible to organize four new troops, with a combined membership of over 100 girls. Two of these were Brownie troops, numbers 32 and 35, led by Mrs. Delos Mills, Mrs. McDonald, Mrs. Ralston, Mrs. Cornett and Mrs. Walter Hannon. The girls specialized in handicraft and made many useful and attractive articles.

A mother's tea was given by each troop, at which skits, songs and readings were presented for entertainment. Girl Scout troop numbers 14 and 15 were sponsored by the Henley PTA and the Henley Grange. Mrs. J. L. O'Donahue, Mrs. Harvey Wise, Mrs. T. D. Jackson and Mrs. Ralph Hill were the leaders and their activities centered around the hospital service and second class badge work. Nearly all of the members earned service pins by participating in five service projects, such as making bedside bags, tray favors, bou-tonnieres and scrap books for patients at local hospitals.

Hikes and "cook-outs" as well as instruction in first aid, dramatics and arts and crafts were especially enjoyed by the girls. As a climax to the year's activities, troops number 14 and 15 and the Brownie "fly-ups" from troop 35, held a field day at the school on Friday, June 1. Group singing, games and folk dancing started the day's program. Following this, a fly-up ceremony was held, in which 14 Brownies became Girl Scouts and were welcomed into troop number 15.

CAN'T KEEP GRANDMA IN HER CHAIR

She's as lively as a youngster—Now her Backache is better.

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys.

The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatism, leg pains, loss of pep and energy, getting up at night, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will bring the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

SOMETHING TO THINK ABOUT... BLOCKWOOD

Blockwood is very scarce, and will be more so. There is not enough available this year for customers to buy as in previous years. It is one of the definitely disappearing products.

But, those customers who formerly used blocks for cooking and heating, can use prestologs and coal in the same purpose.

If you wish to keep warm this winter, and have had cooking, YOU MUST BUY NOW. We can furnish you with plenty of prestologs and coal now, but they will be scarce this winter and will be rationed according to supply available.

PLEASE SUBSTITUTE PRESTOLOGS AND COAL FOR BLOCKS
