Sanders' Submits

Two acres of good irrigated soil with a large school house out of which you could build many things, a palace, a barn, a chicken ranch or other things. You don't have to go into the education business to buy this bargain for \$2000.

About 13 acres good irrigated soil 5 1/2 miles from town. Plenty of house room, garage, barn, large chicken house, 500 capacity; good well and electric pump and house, hog houses and lots, never saw so much feed on a place. Price \$4000. Two acres unimproved land in 4 miles of town. Good soil and on good road. Price \$800. Good terms.

About 50 acres near town for \$7500. No improvements but good soil. Would be ideal for a dairy. Down payment so small and terms so good that you of small capital can get in on the deal. Do not hesitate. Make the start now.

About 25 half-acre tracts and a three-bedroom house and other good improvements on four tracts for \$17,500 or will sell tracts without the main improvements for \$8500. An ideal proposition for a builder because there is a profit of \$300 on each tract besides your building profit. It is a good location and good soil. On Summer Lane. Will gladly show plot.

I have a cash buyer for a good three-bedroom house not over 5 blocks from the business district. Interested in selling, see me.
