Educational Film

The Soroptimist club was host to several guests at the luncheon meeting on Wednesday, June 20, when an educational film was shown by Kenneth McLeod. The picture, entitled "Three to be Served," was accompanied by sound and depicted, in story form, the fundamentals of a manufacturer's problems.

Mrs. Duncan, a member of the Soroptimist club of Salinas, Calif., gave an interesting talk on the services of her home club. After an extended absence, Sylvia McClelland, office manager for the Klamath Lake Moulding company, has returned, to participate in the many service plans of the Soroptimist club.

Following the close association of the club, two members of the Venture club are guests of the Soroptimists at each meeting, and representatives on Wednesday were Jean Thompson and Frances Ballin.
