BUREAU OF CENSUS OFFICE TO CLOSE

With the completion of the farm and agriculture census of Klamath county, the office of the U. S. bureau of census, located in the Medical-Dental building will close June 30. The office, which has been under the direction of R. L. Ackerman, opened December 1 for the purpose of taking the regular five-year census of farms and agriculture. The program has been conducted throughout Oregon. The ten counties in Ackerman's district are Hood River, Wasco, Gilliam, Wheeler, Sherman, Deschutes, Crook, Lake, Jefferson and Klamath. This territory was divided into 175 precincts and 70 men and women were employed to get the information from the farmer.

Of the four districts in Oregon, the district under Ackerman was the first one to complete its work, and was regarded by John A. Kallak, area supervisor for Oregon, as one of his finest offices.

Kallak, who is in Klamath Falls at the present, anticipates

that Washington will release the full census figures in the fall. Both Ackerman and Kallak expressed their thanks for the cooperation and help they received from the individuals and offices of Klamath Falls and the county.

MARINE KILLED IN FISHING ACCIDENT

The body of PFC James Donald Howard, USMC, 30, was killed in a northern California fishing accident, was scheduled to leave here today for Mexico, Tex., with an escort from the Klamath Falls Marine Barracks. PFC Howard fell from a cliff while fishing at a lake 23 miles south of Yreka, Calif. He apparently died instantly.

He was a V-12 student at the University of California. The body was brought to Ward's and the local marine command was asked to furnish an escort.

Employment of women has increased substantially in trade, in service, and in non-munitions manufacturing, according to the Census Bureau.

MEN STILL NEEDED AT NAVY STATION

Only one-fourth of the men needed for the fire department at the navy air station have been obtained, E. L. Cramblitt of the civilian personnel office, said today, and forty men are still needed.

Duties of firemen at the base are the same as those for the city fire department, with 24 hours on and 24 hours off duty. Age requirements are between 21 and 45.

There is a need for 18 guards at the navy station, these men must be 21 years old or over. Veterans with military experience are given preference. Guards work eight hours of duty six days per week.

Cramblitt stated two plumbers are also needed at the base, five electricians, seven carpent-

ers, six auto mechanics, six spray and brush painters, one sign painter, three men chaffers and 21 laborers. Workers not now employed in essential industry are urged to apply for the above positions. Application may be made at the United States employment service office, 242 Main, Klamath Falls.

Drive Toward Bond Goal Slacks Off

PORTLAND, June 29 (AP)—The drive toward Oregon's E bond goal has been slackening off seriously since Saturday, the last day of which one million dollar sales mark was reached, the federal reserve bank reported today.

Today's standing of \$43,666,328 means that a daily sale of \$1,417,000 must be achieved during the rest of the drive for the state to go over the top. The state total for all series is \$149,044,304, with total sales for Thursday amounting to \$5,784,504.

HERALD AND NEWS—FIVE

MARINE ARRIVES FROM OKINAWA

First Klamath marine reported home from Okinawa is PFC Roland F. Koff, son of Mr. and Mrs. Robert Koff, 919 Market. He was with the first marine division.

PFC Koff was in on the first landings on Okinawa, which, he recalled, were made without opposition, but the campaign got hotter as it progressed.

On the morning he was slated to leave, 104 Japs attempted a landing on the beach assigned to Koff and his outfit.

"The nearest any of them got

was 12 yards from the shore," he said. "I guess we got them all."

MY LINENS SEEM TO LAST AND LAST SINCE I'VE BEEN USING CLOROX!
YES, CLOROX LESSENS RUBBING, CONSERVES FABRICS... MAKES LINENS SNOWY WHITE... SANITARY, TOO!

WHEN women discuss laundering, Clorox is very often an important part of the conversation. Deservedly so. For Clorox has proved its value to millions of housewives. It helps them get beautiful laundering results without hard tubbing that wears out materials... for Clorox bleaches white cottons and linens snowy-white (brightens fast colors). And Clorox is extra-gentle—it's free from caustic, an exclusive, patented quality-feature. Clorox also makes laundry sanitary, deodorizes, removes stains, scorch and mildew.

When it's CLOROX-CLEAN... it's Hygienically Clean!
