

Ceremony Held At Campbell Home

Pat Campbell, daughter of Mr. and Mrs. Floyd Campbell, 1443 Oregon avenue, and James Newman Schneider, USN air corps, were married at a double ring ceremony Saturday, June 23, at eight o'clock at the bride's home. The Rev. Hutchinson of the First Christian church officiated.

The ceremony took place before a background of white gladioli and ferns. The bride was given in marriage by her father. Her sister, Mrs. Burnett Howard, of Twin Falls, Idaho, was matron of honor and L. T. Stephens, USN, best man.

Luncheon

Fifteen members and guests of the Townsend auxiliary gathered at the home of Nettie Schiminsky, 3333 Homedale road, on Wednesday, June 20, for a one o'clock luncheon and social afternoon. The long table was centered with three beautifully decorated birthday cakes in honor of Eva Myers, Ingeborg Wilkerson and Nettie Schiminsky.

While all were seated, a lovely departing gift was presented by Bernice McCracken, president of the auxiliary, to Alice Gray, who is leaving soon to make her home in California.

Following the luncheon, the birthday gifts were opened, and the remainder of the afternoon was spent playing bingo. The next meeting will be held on July 11, at the home of Ida Douglas, 3332 Homedale road.

Those enjoying the afternoon were Eva Myers, Ingeborg Wilkerson, Mabel McWhitney, Elsie Anderson, Betty Allen, Alta Randall, Mary Martin, Ida Douglas, Esther Mast, Alice Gray, Bernice McCracken and Nettie Schiminsky. Dinner guests included H. O. Myers, president of club number 1, Rudolph Schiminsky and Edward McCracken.

Soroptimists

Interesting from many angles was the story of the Marine Barracks, told to members and guests of the Soroptimist club by Capt. Lowell T. Coggeshall, medical officer in charge, who spoke at the luncheon meeting on Wednesday, June 27 at the Willard hotel.

Because the United States army had had few contacts with tropical diseases under conditions of war, Capt. Coggeshall stated that accomplished cures were a medical triumph. The Marine Barracks at Klamath Falls has more than proven its worth in solving the problem of eliminating tropical diseases, and he stated that the elevation, climate and surroundings of the Klamath country were contributing factors.

The bond drive is nearing the closing date and County Chairman Rose Poole urged club members to renewed efforts.
