Poor Digestion? **Headachy?** **Sour or Upset?** **Tired-Listless?**

Do you feel headachy and upset due to poorly digested food? To feel cheerful and happy again your food must be digested properly. Each day, Nature must produce about two pints of a vital digestive juice to help digest your food. If Nature fails, your food may remain undigested—causing you headachy and irritable. Therefore, you must increase the flow of this digestive juice. Carter's Little Liver Pills increase this flow quickly—often in as little as 30 minutes. And, you're on the road to feeling better. Don't depend on artificial aids to counteract indigestion—when Carter's Little Liver Pills aid digestion after Nature's own orders. Take Carter's Little Liver Pills as directed. Get them at any drugstore. Only 25¢.

Dinner in Park—Members and friends of the Community Congregational church will go to Moore park for a picnic dinner following the church services Sunday morning, July 18.
