## Mobile Unit To Arrive Here July 27

The Mobile Chest X-ray unit shown above will roll into Klamath county on July 27 and will give free chest X-rays to interested members of the community. This unit will be sponsored by the Klamath county public health department and will operate on money from the Tuberculosis Christmas seal sales. Those wishing to enroll may call 6259 between 10 and 4 every day or may drop a postcard with name and address to the office on the first floor of the courthouse, room 5. Enrollment blanks may also be picked up at this office.

## Commission Studies Interim Tax

SALEM, July 16 (AP)—The legislative interim tax study commission held its second meeting here today, hearing requests from the League of Oregon Cities and the Association of Oregon counties for more financial assistance from the state. They pointed out that cities and counties are at the end of their ropes as far as raising more funds is concerned. The commission also considered whether to appoint an executive secretary, and whether to hire outside tax experts to assist it.

## Medical Officers To Go Overseas

Lt. Comdr. James W. Haviland, executive medical officer at the Marine Barracks, will leave this week for Lido Beach, Long Island, New York, for overseas assignment, it was announced today. Lt. Jackson Norwood, Barracks chemist, has already left for the same destination and eventual overseas duty.

## 23 Lightning Fires In Fremont Forest

LAKEVIEW — Lightning caused a total of 23 fires in the Fremont National forest since the storm Sunday evening with a few of the fires still burning, according to local forest officials. At the present time, two fires are burning in the Warner ranger district, one in Paisley district, and eight in the Bly district. Five fires have been extinguished in the Bly district which gives that district a total of 13 lightning fires since Sunday evening, another in the Warner district and five suppressed in Paisley district.

Oregon's forests offer shelter for wildlife which makes Oregon world famous as a fishing and hunting state. Protect these great natural resources. Keep Oregon Green.

**TORMENT OF** Relieve itching, smart of simple skin rashes; burn of baby's diaper rash with Mesmana, the medicated powder.

## X-Ray Mobile Unit To Visit Lakeview

LAKEVIEW — Lake County Public Health association is completing arrangements for the mobile chest X-ray survey unit which is coming to Lakeview on July 25 and 26. The unit will be set up at Lakeview high school.

**WEALTH of the WEST**

**Fishing** World famous are the "silver hordes" of the North Pacific. Whether canned or fresh, Alaska and Columbia River Salmon are superb in taste and rich in food value. In these Pacific waters are also found halibut, tuna, and other prized species of the sea. From small but sturdy craft, hardy fishermen reap these harvests of the deep and on their catches has been built a great basic industry. In normal years, the fresh, canned, and frozen fish of the North Pacific reach world markets under trade-marked and advertised brand names and are everywhere esteemed as delicacies of the first order. Outstanding for so many things, this great west has no resource more distinctive than its superb sea foods and great fishing industry.
