"Darlings of Rhythm"

Is the "sap" of youth deserting your skin?

A vitalizing glandular substance has been discovered . . . so potent that when applied to the face, throat or hands it can be absorbed through the skin where it helps to excite and activate the development of new cells, new tissue.

In effect, its similarity to the vitalizing substance so abundant in a youthful skin is truly astounding. For women over 30 this vital substance can now help dry, ageing skin to become firm and smooth in texture with a youthfulness that is fairly aglow.

QUEENOL, a new kind of cream, contains a generous portion of this vitalizing, estrogenic substance. Applied every night . . . *it is active while you sleep.*

Try QUEENOL—Available in handy 4 oz. Boudoir bottles. A supply adequate for 30 nights, only $2.95 (plus tax). Call or phone.

MANY NEVER SUSPECT CAUSE OF BACKACHES
This Old Treatment Often Brings Happy Relief

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys.

The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.
