

# NIP NAVY HIT IN DAYLIGHT BLAST ON KURE

(Continued from Page One)

over the southern islands bombed and strafed 101 Japanese vessels, varying from sizable freighters to gunboats and troop-laden barges. Seventeen were definitely sunk. They were caught from the Yellow sea to the Gulf of Siam.

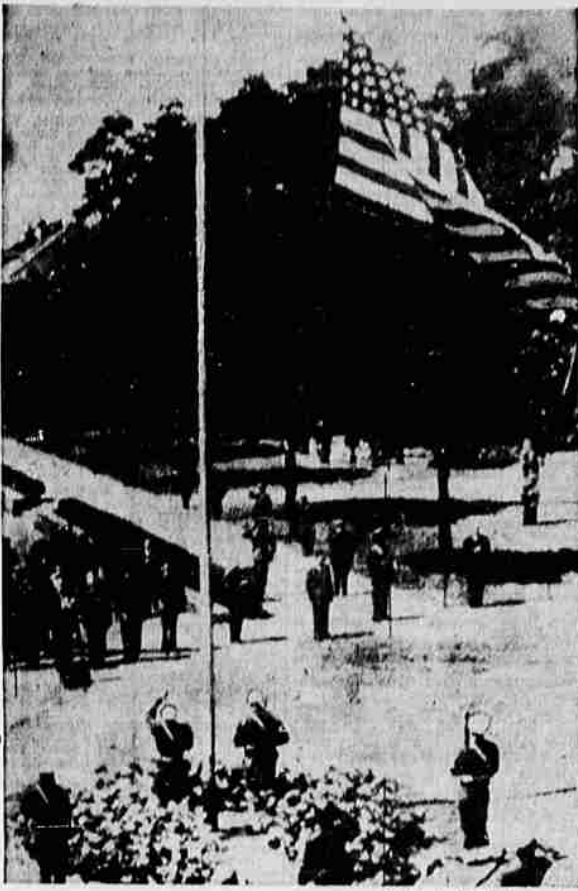

Several other small craft were sunk or damaged off Chekiang province on China's central coast by a destroyer force of the Pacific fleet.

It was the first American naval gunfire in this war off the China coast. Chekiang province is a potential invasion sector, now controlled by the Japanese. Just below Shanghai, which Tokyo said was raided again yesterday by more than 200 bombers and fighters from Okinawa.

Simultaneously with the destroyer attack, a similar force from the ninth fleet shelled fog-bound coastal defenses of Paramushiro island on the northern road to Japan.

The next day two other destroyer forces bombed the approaches to Tokyo bay and Chichi island in the Bonin group, 550 miles south of the enemy capital.

# Stars and Stripes Raised Over Berlin

Partly watching Stars and Stripes being raised over U. S. group control council in Berlin, includes Gen. George S. Patton Jr., President Harry S. Truman, Secretary of War Henry L. Stimson, General Omar Bradley and General Dwight D. Eisenhower. Old Glory is same flag which flew over White House in Washington when U. S. declared war on Germany, Japan, and has flown in Rome.

# IDLE WORKERS BACK TO JOBS AT WAR PLANTS

(Continued from Page One)

stoppage was at the Midland Steel, affecting 1200 employees. Dispute Settled.

One of the disputes settled during the last 24 hours, at least temporarily, permitted resumption of production at the Geneva Steel company plant in Provo, Utah. The 400 workers returned to work after a one-day stoppage, heeding a request of AFL leaders. The walkout threatened to tie up the plant's rail facilities. Officials of the \$200,000,000 plant and AFL leaders met today on grievances which caused the walkout.

The 1000 workers at the Phelps Dodge corporation at Morenci, Ariz., mine, mill and smelter also went back to work after a one-day stoppage.

**Local Strike**  
In Portland, Ore., the WLB ordered 475 workers back to their jobs, including 175 Plywood corporation strikers at Springfield, Ore., and 300 employees of Libby, McNeill and Libby company plant in Portland.

The cigarette that is 100 percent less irritating is the one that is dead out. Besides the economic loss by reduction of raw material, many man days of vitally needed labor are expended fighting forest fires. Do your part. Let's Keep Oregon Green.

# Chinese Troops Bomb Jap Village

By SPENCER MOOSA CHUNGKING, July 24 (AP)—Chinese troops, posing another threat to Japanese communications between Kwangsi and Hunan provinces, are bombarding a village three miles northwest of Linchwan, 15 miles north Kweilin, the Chinese high command announced.

The route is already obstructed by a roadblock which the Chinese established 41 miles northeast of Kweilin, former U. S. 14th air force base city which lies in the path of several Chinese columns.

Meanwhile, the high command said, other Chinese units tore up a stretch of railroad five miles northeast of Linchwan, destroyed eight boxcars and took eight Japanese prisoners.

# Copco Employees Injured In Crash

Two employees of the California Oregon Power company here were in a Medford hospital today after their car went out of control on Diamond lake road Sunday evening.

The vehicle hit a tree, knocking both men unconscious. They were not found until the following morning, when fishermen en route to the lake discovered them.

A company official said the

men, E. F. Snyder and Frank Nunnally, were not seriously hurt but suffered minor concussions. They had been in Medford over the weekend and were returning to the company's North Umpqua camp with supplies.

HERALD AND NEWS—THREE

# Japs Slaughtered In Aussie March

MANILA, July 24 (AP)—Australian troops have slaughtered several truckloads of Japanese six miles north of Balikpapan in southeast Borneo and advanced three miles northward along the inland road leading to the oil fields of Samarinda, in eastern Borneo, General MacArthur's headquarters announced today.

The Japanese were caught as they tried to withdraw secretly from around Mount Batochampar, where they had made a

strong stand for more than two weeks in an attempt to block the route to Samarinda, 80 miles north of Balikpapan.

**He Weighs in at 96 Tons!**

It takes 96 tons of supplies for every fighting man in the Pacific... 96 tons of arms, medicines, and food that must be packed and shipped in paper and tin... the nation's No. 1 critical materials. Your salvaged waste paper and tin cans are needed urgently... now!

# COUNCIL SQUABBLES OVER SALARY RAISE

(Continued From Page One)

is home ill, was granted a leave of absence by the council.

**Committee Praised**  
The gift committee, in charge of arranging exchange of title to lots in the proposed Veterans Memorial park area to city property, under chairmanship of John Martin, was commended for its recent activity. Peyton and Company, owning the largest block of property in the area, measuring eight parcels of land, traded for 14 lots of city property worth \$7705.80, donating a difference of \$1000 to the city. Six lots in the park area have been purchased outright by the city from Mrs. Anna Mae Seemes.

Two bids were received for supplying the city with a new pickup truck, and were referred to the street department for approval.

**Action Asked**  
The safety commission requested some action by the council to prevent motorists from driving through service stations to avoid waiting for stop signals. This was agreed by Acting Chief of Police Orville Hamilton, who stated he had received several complaints, and the mayor, as a dangerous practice. The matter was referred to the traffic committee.

A stop sign was requested by Lloyd Walker to be set up at Eberlein street and Washburn way, where he said there was a traffic hazard.

**Sidewalks**  
Ewart Edwards requested consideration of putting in sidewalks, paving and curbing on Orchard way and Orchard avenue. This was referred to the mayor and Councilman Harvey Martin.

Cantrall proposed acquiring another workman if necessary to clear out weeds and rubble of the Linkville cemetery. A suggestion was made to use prisoners of war to do this work, and the matter left up to city street superintendent, E. A. Thomas.

A report by Paul Landry on the sunken lot on Main near the Klamath creamery, which has come up before the council for much discussion, stated that George McCollum, owner, agreed to have it filled, as he plans to build there eventually, and it was suggested by the council that it be filled at the same time the equipment will be used for excavating for construction of the Fremont school.

**Scrap Drive**  
Walter Wiesendanger, chairman of the Shrine hospital salvage scrap drive, requested permission to conduct a salvage parade Friday, July 27, using the high school band and the fire truck for the parade. Permission was granted by the council.

The meeting was adjourned until August 6, unless called by the mayor, July 30 being the fifth Monday in the month on which regular meetings of the council are not held.

**OBITUARY**  
GEORGE ATWATER SMITH, resident of Klamath Falls, Ore., passed away this city on Tuesday, July 24, at 8 a. m., following an extended illness. He was a native of Salt Lake City, Utah, and at the time of his death was aged 70 years, 10 months and 19 days. Surviving are two daughters, Mrs. H. E. Weir, of Calwa, Calif., and Mrs. Sylvia Patry, of Chicago, Ill.; one sister, Mrs. Emma Brown, of Seio, Ore. The remains rest at the Earl Whitlock Funeral Home, Pine at Sixth. Notice of funeral to be announced later.

# Salvage Pick-Ups To Begin Sunday

Waste paper and tin cans will be picked up at curbs early Sunday, July 29, according to the Klamath Falls Shrine club, sponsors of the state-wide salvage drive this week.

Residents are asked to have their tin and paper on the curbs early Sunday morning so that the trucks will not miss any articles. Benefits of the drive, which is being held throughout the state under the sponsorship of the Mystic Order of the

Shrine, will go to the Shrine Crippled Children's hospital in Portland.

Walter Wiesendanger, local chairman of the drive, has asked that 100 Shrine nobles be at the salvage depot Sunday morning to assist with the pickups.

Late summer and early fall are the critical times in the woods. Forest fuels are drying out and people become more careless. We must double our vigilance to Keep Oregon Green.
