

NAVY POINT SYSTEM RELEASES OLDER MEN

WASHINGTON, July 25 (AP)—Older navy officers and men now may apply for discharge if they have the points.

The navy's previously announced point system was placed in operation yesterday, but some releases may be months coming through. The plan provides one credit for each year of age at the nearest birthday plus another for each four months of active duty since September 1, 1939.

Requirements are 53 points for reserve line officers, enlisted reservists, inductees and enlisted regulars serving under expired enlistments; 55 points for reserve officers of the supply corps and 57 for reserve officers of the civil engineers corps.

The navy said commanding officers in this country are given three months to act upon release applications and those afloat or abroad six months, in order to prevent impairment of efficiency.

Flashes of Life

STILL LOOKING

RATON, N. Mex. July 25 (AP)—Tommy Burch lost his pet, a de-canted baby skunk.

A newspaper ad produced a phone call from a woman who said she had seen one of the striped animals in her yard. Tommy acted on the clue, set out a bowl of milk in the woman's yard and waited for developments.

They came—in the form of a mama skunk and three of the baby variety—but none was of the deodorized variety.

OLD STUFF TO THEM

TULSA, Okla., July 25 (AP)—Acting County Judge William K. Powers read a marriage ceremony before the same couple three times today—but that is no record.

The pair, Norma Wheaton and James B. Diggs, have said "I do" to each other (and a judge) 24 times.

Both are attorneys and have been acting as stand-ins in proxy marriages between servicemen and brides who don't want to wait until the boys come home.

SOFTIE

PAYETTE, Ida., July 25 (AP)—Comes now a city man with this advice: Don't make hay while the sun shines—unless you're used to it!

Robert C. Goodwin of Washington, war manpower commission executive director, visited his brother-in-law's farm near Payette and spent two days thusly:

First day: worked in hayfield; blistered hands. Second day: went fishing.

PRINCE OF WALES II

OGDEN, Utah, July 25 (AP)—City Commissioner William D. Wood was chosen rodeo foreman of the Pioneer Day celebration here yesterday.

Riding to the center of the arena to acknowledge his selection, Wood was thrown from his horse and broke his arm.

He stayed to watch the Pioneer Day parade from a sitting position—and with a red face.

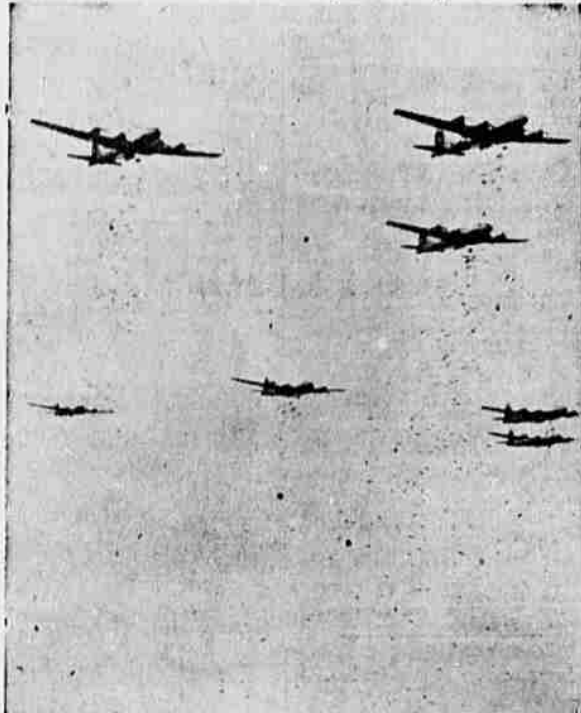

Whales fall into two group classifications—those which are toothed and those which have a whalebone sieve through which they strain the smaller animals from the surface of the sea.
