STATE POLICE PROMISE SLOT MACHINE ACTION

Slot machine seizure at the Elks club here yesterday morning was instigated and conducted by Sgt. E. W. Tichenor of the Oregon state police. Tichenor said this morning that slot machines are not going to be permitted to operate in Klamath county and that owners of machines might as well make up their minds to the fact.

When any information is received that slot machines are in operation, a raid will be made and the machines seized, Tichenor said. The four machines that were confiscated from the Elks were taken to state police headquarters on Allamont drive and sealed. They will be held for evidence.

The raid was made by Tichenor, three other state policemen and one city policeman. Entry to the club was made on a search warrant, Tichenor said, upon information received that machines were in operation.

The state police have no jurisdiction over slot machines operating on military installations, but Tichenor stated that he had contacted both the Marine Barracks and the naval air station and informed officers in charge that operation of slot machines was in violation of a state law.

Governor Earl Snell recently made the statement that he did not authorize the operation of slot machines in the state of Oregon and Attorney-General George Neuner ruled that possession of machines is a crime.

Fraternal organizations are in no way different from public places in the use of slot machines as the law clearly states that it is illegal, Tichenor said. Proceeds from the machines at the Elks club here reportedly have gone toward charitable causes, but this in no way affects the fact that the machines are illegal, he said.

ARKELL TO ENFORCE CLOSED AREA LAW

Serious trouble is arising from people going into closed areas on the Klamath Indian reservation posted as fire hazards, John Arkell, special officer for the U. S. Indian service at the reservation, said today.

People have been trespassing on the closed areas in order to hunt deer, Arkell said, and on July 23, three people were arrested and taken to justice court here where they were fined \$25 apiece for entering a closed area. Arkell stated that he intends to enforce the closure law to the letter because of the fire hazard involved. Nobody is allowed in the closed area except duly enrolled Klamath Indians and people holding a special closure permit, such as loggers.

The biggest part of the Klamath reservation is closed and the maximum penalty for violation of the law is a \$250 fine and 60 days in jail. This law has been, and will be, strictly enforced, Arkell stated, in warning persons against entering the closed areas.

OPA Allots Tires For August Ration

WASHINGTON, July 26 (AP)—The OPA has allotted 2,500,000 passenger car tires for rationing in August—the same as in July—but no new tires are yet in sight for "A" motorists. Urging "A" drivers to use every conservation aid, including recapping, OPA said "it will be a long time" before new tires can be granted them. The August quota of 830,862 smaller truck tires is unchanged from July, but the quota for truck tires size 8.25 and larger is being reduced from 234,308 to 200,000.

STAFF EXPANDED IN TAX-EVADER DRIVE

J. W. Maloney, collector of internal revenue for the Oregon district, announced today that 25 employees will be added to the internal revenue staff in this district to assist the treasury department's current drive against wartime tax evaders. Primarily, the positions will be allotted to persons having experience in business, account-

ing, legal, and investigation work which would fit them for employment as deputy collectors, revenue agents, and special agents. A limited number of clerical positions must also be filled. Salaries for the positions range from \$1704 plus overtime for clericals to \$5180 plus overtime for technical and administrative positions.

The efforts of these additional employees, together with the intensified effort of existing staffs, are expected to collect at least a billion dollars of additional revenue from tax chislers all over the country.

Altogether, this effort to force black marketeers and other tax

evaders to pay their fair share of the war cost, will require the addition of more than 10,000 qualified employees to the internal revenue service throughout the United States. This goal has been endorsed by President Truman, congressional committees, and many public-spirited associations such as the leading veterans and labor organizations.

How to make Salads that make meals

A savory salad can make the day and the meal in this July weather. You might use a mouth-watering tender chicken base, or perhaps a bowl of rich fruit drenched with a piquant dressing in the palate-teaser you're looking for. Add hot rolls or sandwiches to any of these, maybe fruit cobbler or gingerbread for dessert, a beverage—and presto! you have a meal.

SALAD PLATE
Attractively arrange mound or mold of chicken, meat or fish salad on lettuce or spinach leaves in center of plate. Surround with lettuce cups in which are placed half-peeled tomatoes topped with cucumber dressing (1 cup mayonnaise and 6 tablespoons shredded cucumber) stuffed eggs and ripe olives.

LUNCHEON SUMMER FRUIT SALAD
Toss together in salad bowl, 3 cups shredded lettuce or greens, 2 cups sliced fresh peaches, 1 cup seedless grapes, 1/2 cup sliced celery and 1 1/2 cups shredded cheese with 1/2 cup mayonnaise or salad dressing and French dressing to taste. Garnish with lettuce, fresh berries and peanuts. Serves 6.

PICNIC CLUB SALAD
Toss together 3 cups cooked macaroni, 1 1/2 cups sliced frankfurters or diced luncheon meat, 1/2 cup sliced radishes, 3 tablespoons sliced green onion, 1/2 cup sliced olives, 4 tablespoons French dressing and 1/2 to 3/4 cup mayonnaise. Season with salt and pepper. Garnish with tomato wedges and parsley. Serves 6.
