

OREGON GETS NO MOISTURE DURING WEEK

PORTLAND, Aug. 3 (AP)—Oregon had not a drop of rain last week, the weakly crop-weather survey reported yesterday with the weather warm until near the close.

Temperatures shot up to the nineties and a few reached 100 degrees or more. At the end of the week the mercury dropped to the thirties in high eastern parts of the state, which had a few readings near freezing.

Harvest of winter grain progressed satisfactorily, and some early spring grain was reaped. Heat and drought reduced the grain's weight in many cases, cutting the yield somewhat. Irrigated corn made good progress and some unirrigated fields showed promise.

Apricots, early peaches, and early apples are being marketed. Lack of sugar has slowed the demand for apricots. Late fruits are developing well, and prospects for walnuts and filberts are good in many sections.

Cutting of the second alfalfa crop is under way with good results and cutting of wild hay continues. Pastures are dry, but generally adequate.

Heavy shipments of potatoes are going from Malheur county. Some potatoes in higher areas are in bloom, while others are

Flashes of Life

36 POINT BLESSING
NEW YORK, Aug. 3 (AP)—Rita Mundt, 28, has just presented her soldier husband with 36 points—two girls and a boy. The healthy triplets were born Wednesday night. Their father, Sgt. Frederick Mundt of the Bronx, was sent to Germany with occupation forces.

CLEAN BREAST
PORTLAND, Ore., Aug. 3 (AP)—A plump, motherly-looking woman started an OPA clerk by returning three No. 3 and three No. 4 ration books with this explanation.

"I've been living in a world of sin, but I'm back in the fold now."
Confessing she had obtained the books by representing herself as the mother of three children, she added:
"I'm unmarried and Heaven knows I have no children."

PLANTS TO BE VIEWED
SPOKANE, Aug. 3 (AP)—Grand Coulee dam and Spokane light metals plants will be surveyed by four members of the house appropriations committee Tuesday, the chamber of commerce Columbia basin committee announced yesterday.

late. Sugar beets are thriving. Melons are developing well. Canning of peas in Umatilla county is nearly over, and harvest of those which ripened too soon for canning continues. A serious loss resulted from early ripening.

CAB COMPANY PUTS CALL BOXES HERE

To insure prompt service for the public the Hurry cab company, under the ownership of Wiley Knighten, has installed call boxes throughout Klamath Falls. The cream-colored boxes have been placed in sections of the city where public phone service is not always available. These boxes are also used by the drivers and, according to Knighten, are proving very satisfactory.

Boxes have been placed at the bus depot, the Southern Pacific train depot, East Main across from Mills school, Altamont and South Sixth, Third and California, Upham and Oregon, Oregon and Biehn, Eldorado and Esplanade, Alameda and Old Fort road, Bratton's Packing company and Shasta way and South Sixth.

The Yellow cab company also has call boxes placed throughout Klamath Falls.

Brownell Looks To West For Congressmen

PORTLAND, Aug. 3 (AP)—Herbert Brownell Jr., chairman of the Republican National committee, said today a "good portion" of the eight senators and 28 representatives needed for a republican congress in 1946 may come from the west.

He said a strong western representation would help prevent the GOP from becoming sectional, "as the democratic party is today—controlled by the south."

Newsman Held In Contempt Of Court

CORPUS CHRISTI, Tex., Aug. 3 (AP)—Nueces County Judge Joe D. Browning, affirming his citations holding three Corpus Christi newspapermen in contempt of court, today ordered them to jail to serve a three-day sentence.

He ruled in a hearing at which Conway Craig, publisher of the Caller-Times; Managing Editor Bob McCracken; and Reporter Tom Mulvany had appeared to answer allegations in contempt citations based on newspaper reports of a trial which was held before Browning in May.

Texas Regular Party Dissolves

AUSTIN, Tex., Aug. 3 (AP)—The Texas regular party—formed by Texas anti-Roosevelt democrats—filed with the secretary of state a resolution of the party's executive committee dissolving the party as of August 1.

"Personalities which created issues within the democratic party have passed from the stage," the resolution said. "The fourth term issue has been eliminated. The extreme left wing of the party family has been greatly reduced in numbers."

INCOME SLASH SEEN FOR WAR WORKERS

WASHINGTON, Aug. 3 (AP)—The budget bureau says business profits and income of war workers will be reduced in the new fiscal year by a 20-billion-dollar slash in government war spending.

And if the war were to end before next summer, there would be an even greater cutback in spending, with heavier effects on economic life in America.

The extent of unemployment in such a case would be determined by the effectiveness of reconversion plans.

Those forecasts were made in a revised budget for the fiscal year 1946, which started a month ago.

On the assumption the war will continue through the fiscal year, the bureau estimated war spending at \$70,000,000,000, compared with \$90,000,000,000 in the last fiscal year.

It estimated total federal spending at \$85,000,000,000,

compared with \$100,000,000,000 in fiscal 1945.

But Budget Director Harold D. Smith was not content with the assumption the war would go on another 11 months.

He termed it of "utmost importance" that all government agencies "prepare their plans not only for continuing war but also for early peace and demobilization."

Smith put much stress on "the speed and effectiveness of reconversion." He said that if the war ends before next summer "we would then be faced with the problem of rapid demobilization. This would inevitably mean more unemployment. Its extent would depend on the degree to which our reconversion machinery is geared to take its full load at an early date."

DEATHS RISE

PORTLAND, Aug. 3 (AP)—Fatalities here since January 1 rose to 42 today with the death yesterday of Robert P. Mercer, general manager of J. C. O. & G. Inc., killed in an auto-truck accident.
