

Lost River Club To Sponsor Tea

MERRILL—American fighting men overseas who crave a helping of fresh vegetables like those that come from home gardens, will have half a chance at least if they can find a bit of foreign soil in which to plant seeds. Requests from men in the service in many parts of the world for garden seeds have reached home folks for many months and to help see that some of these desires are met the Lost River Garden club is sponsoring on Sunday, August 19, a silver tea, flower show, and war trophy exhibit. All contributions received will be used for the purchase of seeds to be sent overseas.

The exhibit will be held in the high school auditorium, beginning at two o'clock, entries in the flower show will be judged by popular vote and the theme will be "America in Flowers." The public is cordially invited to enter exhibits of flower arrangements and of war trophies. The trophies will be in the care of a responsible committee.

A number of well known musicians of the southern section of the basin will assist with the program during the afternoon. Appearing will be several piano pupils of Mrs. C. E. Sharp, Mr. and Mrs. E. Webb Staunton, Tulelake, Geraldine McKendree, Mrs. Lillian Thomson and Mrs. J. A. Van Cleave, Merrill.

Bowman, Mrs. Warren Frutts, Mrs. Lewis Kandra, trophy; Mrs. Luther Haskins, voting; Mrs. Scott McKendree, registration and Mrs. A. J. King, publicity.
