CITED FOR HEROISM

S/Sgt. Dale Himelwright, with the infantry of the army, has received a citation for heroic achievement in connection with military operations against an armed enemy at Fraulautern, Germany, on February 23, 1945. He voluntarily went forward as a member of a small combat patrol to reconnoiter hostile positions and to return with a prisoner. Advancing down a street toward the enemy-held section of town, the patrol was detected by the foe and became engaged in a fierce gun-fire fight in which S/Sgt. Himelwright accounted for two of the enemy.

After silencing an enemy machine gun, S/Sgt. Himelwright and his companions stormed a house which had previously been a center of resistance and captured three of the enemy, who, when subsequently questioned, gave valuable information.
