

BRIGHT NEW TOWN SHOP'S OPENING SET

By JOY BIGGS

A preview showing of the modern new Town Shop will be held at 6:30 Thursday evening, August 23. The new shop is in the corner building, 6th and Main, across from the old location. At this time the public is invited to view the shop. Clerks will be on hand to point out the various features, and answer any questions.

Mr. and Mrs. G. Keith Moon and Alice Dale Petersen, owners of the Town Shop since it was established nine years ago, have spared no detail in design to produce an attractive modern building for the convenience and pleasure of their patrons.

From the two huge glass show windows in front flanking a two-wing all-glass door, to the interior finished in American bleached walnut, the new store is a place of beauty.

The front windows are 6 1/2 feet deep, one running 22 feet in length and the other 25 feet. In the center pillar is a mirror-backed display case for small precious articles. The facade of the store is done in beige and black tile and chrome.

Indirect fluorescent lighting fixtures are set in a concave recessed ceiling, an entirely new feature in Klamath Falls construction ideas. Carrying out the design, recessed individual open display cases are set in the curtain space just above eye-level in the walls. Below these are wide show shelves over the glassed stock drawers.

From the center counter two sets of dainty mirror-backed glass shelves reach to the ceiling, tipped at an interesting angle. Spacious dressing rooms have been designed with full-length mirrors.

A handsome wide stairway carpeted in soft rose-beige color matching the asphalt-tile flooring, leads to the floors above.

At present the office will be on the balcony and the upstairs floors will be used for storage space. Mrs. Nancy Jones' studio work room is also on the second floor where she will handle Town Shop alterations in addition to her regular work of dress designing.

Later the owners plan to put in salesrooms upstairs, and add a beauty salon. They also plan to install an electric eye to open the doors automatically.

The present staff will be retained, Moon said, including, in order of length of service, Helen Perry, Lola Keating, Norma Olson, Betty Russell, Sally Mueller, Lois Carlson, Beatrice Plaisted, Dorothy Dybeviick. In addition five new clerks have been added to the staff. They are Ann Mueller, Gladys Hogue, Barbara Bogatay, Beth Chase and Ruth Berglund.

The Town Shop deals in women's apparel—lingerie, dresses and accessories. It will be open for regular business Friday, 9:30 a. m.

Mr. and Mrs. Moon, besides managing the store, operate a ranch on the Merrill road where they breed palomino horses. They have lived in this community nine years.

Miss Petersen, a sister of Mrs. Moon, has been here for some time.

KF Theatre Staff Changes Announced

Staff changes of the Klamath Falls theatres were announced today by Lloyd Lamb, general manager.

George Whitten has been appointed manager of the Pine Tree. Whitten formerly managed a theatre at Woodland, Calif.

Frank Meiser, just released from the army and formerly a resident of Dorris, will manage the Rainbow.

Manager of the Esquire will be Leona Row, who has been with the organization for some time and until recently was manager of the Pine Tree.

GOBBLER
WORLD, Wyo., Aug. 23 (AP)—Ronald Wickliff, of Billings, Mont., can hardly wait for Thanksgiving—and his impatience is not strictly from hunger.

While he was helping a friend feed some turkeys at the Pat Halsey farm, Wickliff wanted to see if his gold and emerald ring would attract the birds.

He took it off and waved it in front of the fowls—and one of them stepped up and swallowed it.

OPA SUES LOCAL USED CAR FIRM

Suit has been instigated by the OPA against Jack Elie's Used Cars located at 608 S. 6th, charging Jack B. Elie with exceeding the ceiling sales price on used automobiles in three different instances.

The plaintiff on behalf of the United States demands judgment against the defendant for treble the amount by which the price charged by the defendant exceeded the ceiling price which amounts to a total of \$1194.50.

The three alleged violations of the ceiling price involve car sales to George W. Horstman, 2128 Applegate; Clyde Walsh, 2125 Reclamation; Oscar E. Overson, route 3, Klamath Falls.

Cars were reportedly sold to each of these persons at an amount well over the maximum ceiling price.

Flashes of Life

WOMAN'S DOMAIN?
GRESHAM, Ore., Aug. 23 (AP)—Feminine blushes were a dime the proverbial dozen yesterday at the Multnomah county fairgrounds.

Five top-honors in the 4-H club food-canning competition went to—of all people—17-year-old Bill Gavin. He was promptly named "grand champion of culinary arts."

DUMMY MURDER
OKLAHOMA CITY, Okla., Aug. 23 (AP)—Police lost no time investigating five separate reports that a man, with a knife protruding from his back, had been tossed into the street from a moving automobile.

Now the officers are on the lookout for the pranksters who dressed a hay-filled dummy in man's clothing, stuck a butcher's knife in its back, daubed red paint over it and dumped it into the street.

This is the 15th consecutive year that a 4-H show has been held here in the fall, although before the war it was part of the annual fair. For a number of years The Herald and News presented an award for the po-

tato king of the district, but since the war when victory gardens became of national importance, the award was changed and divided between canning and garden winners. A \$25 victory bond is offered as first prize for gardens and a \$25 victory bond as first prize for canned goods.

Prizes Listed
There are nine prize divisions in the victory garden contest, eight offered in each division; four divisions in canning with 10 prizes in each division. First prize in each division, after the newspaper award, is a scholarship to summer school.

Second and third prizes in each division are one week at summer camp. Other prizes are credits in victory stamps placed on the scholarship records of club members.

Gardens are judged on variety and yield of crops, plan, cultivation methods, freedom from

weeds, insects and rodents; efficient use of water, neatness of record books, and apparent knowledge of gardens.

Canning is judged on appearance of canned goods, including color and pack.

The canning demonstration contest will be conducted by teams of two girls each, demonstrating some phase of canning, and will be limited to 20 minutes.
