

A. L. Gralapp Lists Teacher Roster For City School System

A complete list of the teachers in the city school system for the coming school year was announced this week by A. L. Gralapp, city superintendent of schools.

Names of supervisors were told, with Andrew Loney Jr., named as director of music education; Joe Peak, director of physical education and health; Lillie Darby, supervisor of vocal music for elementary schools; and Harold Teale, supervisor of vocational education.

Special assignments were given to Hazel Landry as cafe-

teria manager; Lena Hackett, child guidance clinic; John Best, orchestra and strings, high school and elementary; Oland Warcup, instrumental music, junior high; Margaret Strode, school nurse, high school; and Annis Struthers, school nurse, elementary.

In the administration department, A. L. Gralapp is superintendent, J. P. Wells is clerk, Wilson Wiley is legal advisor, Sally Buckner and Marcille Reynolds are secretaries and Lloyd Seely is head of attendance.

Teachers are as follows: Conner—Augusta Parker, principal, Eida Fletcher, Helen Fox, Betty French, Kathryn Irvine, Roberta Roy. Fremont—Lowell K. A. U. principal, Martha Berg, Ann Fisher, Beatrice Kidd, Helen Prince, Leora Repp, Freda Robinson. C. Wisenbach.

MILK MARKET ORDER SLATED FOR REVISION

A public hearing to provide a basis for revision of the milk marketing order for Klamath county is scheduled to be held in the council room of the city hall, Klamath Falls, on September 14, 1945, at 1:30 p. m., according to notices sent out by the milk control section, state department of agriculture.

The hearing will deal mainly with details incidental to revision of the milk market order issued by the former Oregon milk control board in order to bring local milk market regulations up-to-date, within limitations imposed by the various federal price and production orders. Some changes in the order will be proposed by the department of agriculture to comply with general policies of the department in the administration of the Oregon milk control act. The hearing will not have any connection with laws passed at the last session of the legislature, it is pointed out.

Although matters to be discussed will be primarily of interest to milk producers, distributors and dealers, the hearing is open to consumers and others interested in fluid milk marketing. E. L. Peterson, director of the state department of agriculture, will be represented by an examiner from the Portland office of the milk control section of the department. E. Eugene Chadwick, Eugene, district representative for the department in southern Oregon, is in charge of arrangements for the hearing.

LUMBER COMPANY TO MOVE TO PORTLAND

PORTLAND, Sept. 8 (AP)—Headquarters of West Coast Lumber association will be moved from Seattle to Portland next year, Dean Johnson, president, said today.

Development during the past decade of Oregon as the nation's principal lumber producing state was a major factor in ordering the transfer, Johnson said. Headquarters have been maintained in Seattle for 25 years.

With the change, the organization's Washington, D. C., office will be discontinued. Branches will be maintained in Los Angeles and Eugene, as at present, and at Seattle. Some 30 employees will be moved from Seattle as soon as sufficient office space is available.

Johnson announced "Thursday that Harold V. Simpson, head of the Washington, D. C., office would become secretary manager of the association, succeeding W. B. Greeley.

FIRST SALMON CASE
CASTLE ROCK, Wash., Sept. 8 (AP)—Justice A. V. Peterson of Castle Rock was roused from a sound sleep at 2 a. m. today to try the first illegal fishing case of the fall salmon season. He fined Henry Helm and Dave Johnston, both of Vader, \$50 each on charges of operating a set net in the Cowlitz river. The men were arrested by Nillo Anderson and Don Hayden of the state game department who said they found approximately a dozen salmon in the net.

Red Points On The Hoof

The little girl and the big beast are Betty Brandesky, 10-year-old daughter of Mr. and Mrs. J. Brandesky, Henley, and a year-old black Angus calf. Betty is also shown with a Hampshire sheep which she raised, Ronny Trotman, 13-year-old son of Dr. and Mrs. F. E. Trotman, Merrill, has a good hold on the stout rope attached to his Hereford calf. These animals are among those which will be shown at the junior livestock show, September 17, sponsored by Klamath Rotary club.

INFLUX OF WEEKEND VISITORS PREDICTED

Another great influx of visitors is expected by national park superintendents in northern California and Oregon this weekend with clear warm weather predicted by the weatherman.

Record crowds reported both at Lava Beds national monument and Crater Lake national park last weekend are expected to be duplicated this Sunday. Diamond lake where Canyon Passage is being filmed by Universal studios, is expected to draw a large crowd also, with some regular visitors going up to close their cabins by the lake for the fall.

The crisp fall weather is luring picnickers to the woods and by-ways, and several hunters are going out to look over the terrain in northern California, in preparation of opening of deer season there on September 16.

Travel to Oregon beaches may be limited as fog is predicted along the coast.

Bus service to Moore park on Sundays has been discontinued but the cars which lined the tennis courts and picnic grounds last Sunday indicate that it will be a popular spot tomorrow for those who wish to avoid the increasing traffic on the highways.

COWBOY EVANGELIST TO SPEAK AT CHURCH

The Rev. Donald Dolph, pastor, has announced that he is planning Sunday, September 9, Altamont Church of God will hold a series of evangelistic revival services with Gerald F. Haskett, speaker. Morning services are scheduled for 11 o'clock and evening services will be held at 7:30 throughout the week.

Special vocal music will be furnished by Mr. and Mrs. Harry Neely, son, Ray Neely will accompany them on the guitar.

Heskett, former cowboy of eastern Oregon will speak on "Is the Holy Spirit Given Today?" "Healing for All," "The Church - Beyond Division," "Good News" and other topics dealing with present day conditions.

Election of officers and adoption of a constitution to form a young people's society of the church will be held Sunday evening, 6:30, Rev. Dolph announced.

The church has completed a parking strip to accommodate the public, space being provided for diagonal parking.

The Rev. Dolph is a graduate of Bible Seminary in Owasso, Mich. The Altamont Church of God, is his first charge.

FORMER KF WOMAN SLATED FOR OFFICE

PORTLAND, Sept. 8 (AP)—Mrs. Earl Templar, former Klamath Falls woman now living in Brookings, was slated for election today as president of the American Legion auxiliary.

Mrs. Templar, present vice president, was unopposed. She succeeds Mrs. Charles E. Lemons, Pendleton. Mrs. Leon M. Brown, Salem, and Mrs. Claude Roland, Portland, were both nominated for vice president.

The secretaryship was also a race, with Mrs. Mae Whitcomb, Portland, and Mrs. Vada Whetstone, Lebanon, as nominees.

Mrs. Josephine Kane, Dundee, was unopposed for treasurer, and Mrs. Sadie Graham, Corvallis, unopposed for finance officer.

One form of dinner plate used in China is made from a thick slab of salt, which makes it unnecessary for the diner to salt his food.

Big Apple Grown In Klamath County

Even the chamber of commerce didn't need to enlarge upon the size of an apple grown in Klamath county this year. The apple weighs one and one half pounds, is five inches in diameter and 15 1/2 in circumference — big enough to fill a pie all by itself.

The out-size apple was brought into the chamber of commerce office by J. R. Abbott who grew it on his place on the Midland road. He planted the tree four years ago, and it bloomed this spring for the first time. The tree is no giant but its apples are. No one seems to know just what type of apples they are, each neighbor having a different name for them.

The apple was picked before it was ripe—maybe it would have reached pumpkin proportions if left to complete its span of life on the tree.

BIG LAKES EMPLOYEES HOLD ANNUAL PICNIC

Big Lakes employees sixth annual picnic was held last weekend at the gravel pit, with J. C. Grove as chairman in charge.

Games and contests were played during the afternoon with prizes going to Bruce Stepp, Lloyd Walker, Bert Lee, Hugh Haddock, Dale Young, Betty McIn, Darlene Gordon, Dorothy McIn, Mary Lou Sharp, Larry Young, Kenneth Young, Glenn Haddock, Bill Gordon, Gary Greg, Mitchell Barnes, Lee Greg, Harry Farmer and Dick Young.

Ict cream and pop were furnished by James Murphy of the Victory cafe, coffee and cream by Piggly Wiggly and money by O. B. Hagler and Big Lakes Box company.

The picnic was under the direction of local No. 2511, AFL.

2 MEN APPEAR ON CRIMINAL CHARGES

Two men facing criminal charges appeared before Judge David R. vanderberg in circuit court here Friday afternoon.

Lee Arlet Hixon, charged with receiving and concealing stolen property, was given time to obtain an attorney by Judge Vandenberg and Monday, September 10, at 10 a. m., was the time set for arraignment. He was committed to the county jail in lieu of \$1500 bail.

Hixon allegedly received and concealed on August 17, a set of work harness belonging to Vera Crisler and valued at \$102 with the full knowledge that the property was stolen.

A plea of not guilty to a charge of grand larceny was entered by the court for James Phillips, negro, who allegedly stole property valued at \$42.50 from M. R. Graham at Chiloquin on September 3.

No trial date has yet been set by Judge Vandenberg. Phillips is being held in the county jail in lieu of \$2500 bail.

PUBLIC SPEAKING COURSE OFFERED

A "Speechcraft" course, a quick comprehensive review on the fundamentals of public speaking, will be offered by the Toastmasters club starting next Wednesday evening, September 12.

This opportunity is being offered to non-members as well as members of the local organization and is being sponsored by Toastmasters clubs throughout the United States. Instructors in Klamath Falls will be members of the local organization who will follow a carefully outlined course, giving the benefit of their experience supplemented with comprehensive study to any adult man who desires to improve himself in the art of public speaking.

Enrollment will be limited and anyone interested is requested to contact Sanford Selby, president of the local group, George J. Kunzman, chairman of local educational committee.

Joe Piland, vice president, Harry B. Stohler, secretary, or Floyd Clark.

Toastmasters International comes of age on October 4, having been founded in Santa Ana, Calif., in 1924 by Ralph C. Smedley, who today is head of the educational bureau as editor and director of education. One of the chief undertakings of this bureau in the interests of public service is the administration of the Speechcraft course. This will cover a period of eight weeks, or eight meeting nights.

ALBACORE SEARCH

ASTORIA, Ore., Sept. 8 (AP)—Large tuna boats were still searching vainly for albacore today, but most smaller craft converted to silverside salmon fishing. With the ocean again calm, tuna skippers patrolling as far as 200 miles offshore reported little success. The theory was advanced that albacore may be moving in muddy water closer to shore, and will be spotted with a change in current.

Caterpillars have nearly four times as many muscles as human beings.
