

Oregon State Coaching Staff Has 65-Man Squad

Bob Stevens Only Letterman On Hand; Hal Puddy Leading Candidate For End

OREGON STATE COLLEGE, Corvallis, Sept. 13.—With 65 men on hand Coach Lon Stiner and his two new assistants, Quentin Greenough and Bill Howard, are running Oregon State's first football squad in three years through two workouts a day this week. Less than three weeks remain to whip the Beavers into shape for their first game against the Camp Beale Bears at Corvallis, September 29.

Bob Stevens Back
Although Bob Stevens, fullback candidate from Santa Barbara, Calif., is the only letterman to show up, there are several men on the squad who have had experience on service teams and two former Oregon State freshman players. The two men with freshman experience are Lew Hassman, numeral winner, as a guard on the 1942 Rook eleven; and Harvey Cutts, center on the 1939 freshman club with an honorable discharge from the army after nearly four years of service.

Wyse Blanks Phils, 4-0; Cards Cop
A leading candidate for end is Hal Puddy, a two-year letterman in basketball. Puddy is 6 feet 4 inches tall and weighs over 200 pounds. Also reporting for practice the first of this week was John Behararas who played quarterback for the Wolves in the campus army football league in 1943. Behararas was discharged from the army last February and won his letter in baseball at the University of Illinois last spring.

Large Squad
The rest of the large squad is made up of former high school players entering Oregon State as freshmen and discharged war veterans who also will be getting their first taste of college football. Fifteen of the squad members are from out of state and practically every town in Oregon is represented.

Most of the time this week will be taken up in teaching the squad Oregon State's system of play along with the learning of individual assignments. With the bulk of the squad new to Stiner's system, a real job confronts the veteran Beaver coach and his assistants. In between workouts the squad listens to chalk talks and sees movies of previous years' games.

Wyse Comes Through
Hank Wyse made sure the Bruins wouldn't lose any ground by blanking the Phillies, 4-0 on nine hits. It was his first victory in a month, he having tried unsuccessfully since August 12 to grab his 19th victory. Andy Pakko's double drove home three of the Cubs' runs off Dick Farrell.

Cincinnati shaded New York, 4-3, in the other National League contest on consecutive homers by Frank McCormick and Hank Sauer. Boston and Pittsburgh were not scheduled.

Nets Gain Half Game
Washington picked up a half game on Detroit in the blazing American League scrap, slicing the Tigers' advantage to a game and a half, all on the losing side of the ledger. Five big games with the Bengals over the weekend in the nation's capitol probably will decide the issue.

Roger Wolff pitched and batted the Senators to a 5-1 triumph over Cleveland, in an arduous game witnessed by General Jonathan M. Wainwright, the hero of Corregidor. The knuckleball artist yielded only four hits in recording his 18th win and drove home three of the Washington scores with a bases-loaded double.

Detroit's crippled Tigers lost a heartbreaking second game to Philadelphia, 3-2 in 16 innings after romping to a 7-4 decision in the opener behind Al Benton.

Rough Rufus Roughs Rival

Rufus Jones, new negro mat menace, works Jack Kiser over in their tussle at the armory last week which Rough Rufus won by employing his savage head butts. Friday night at the armory Georges Dusette gets another crack at Jack Lipscomb in the main tiff and Jones will collide with Ernie Piluso in the semi-windup. Buck Davidson will tangle with Tex Hager in the opening fray.

Ad Liska Tops Padres 6-3 As Beavers Increase Lead

By PAUL WELLS
Associated Press Sports Writer
It was "throw and duck while the fielders fumble" for 15 pitchers in the Pacific Coast league last night as four games produced 88 hits, six home runs, and 19 errors.

With the pennant in Portland's lap every way but mathematically, and the four top teams sure of their playoff spots, about all that remains in the last week and a half of the season is for the players to fatten their batting and pitching averages.

Liska Wins No. 20
Only one of the league's 15 top hurlers benefitted yesterday.

Packers Put Grid Prestige On Block Against Eagles

PHILADELPHIA, Sept. 13 (AP)—The champion Green Bay Packers put their professional football prestige on the chopping block tonight when they tackle the Philadelphia Eagles in a charity game.

The huge municipal stadium will get a pre-game DDT once-over to assure an estimated 75,000 fans that there will be few, if any, mosquitoes and insects around to distract their attention.

To more than 21,500 servicemen, many of them amputees, cases, the gridiron clash promises to serve as a morale builder. They'll be on hand to watch

K-Men Hold Scrimmage Session

First-String Eleven Reels Off Touchdown Against 2nd Team in Just Three Plays

A scrimmage session was held by the Klamath Pelicans Wednesday afternoon at Modoc field after the boys had run through an open field blocking and tackling drill.

There are still plenty of rough edges to be taken off in the blocking department but tackling was fair.

Score Quickly
Coleman, Redkey, Barker and Edwards performed in the varsity backfield and scored in exactly three plays. Edwards picked up about 15 yards on a lateral, Barker reeled off about 25 more yards, and Edwards covered the remaining distance on another lateral from Coleman.

The second string backfield was Dodson, Moccabee, Holloway and Craig, but they were smothered behind the line before they could get started.

Pope did the kicking for the reserve eleven and Edward did most of the punting for the varsity.

The boys are picking up the basic plays quickly and real progress is being made with every practice.

San Francisco Open Canceled by Jaycees

SAN FRANCISCO, Sept. 13 (AP)—San Francisco's 15th annual Open golf tournament, one of the major events of the winter circuit, has been canceled by the junior chamber of commerce, whose announcement bitterly criticized the National Professional Golfers association as a commercialized, money-avid organization.

More than 50,000,000 bushels of wheat were ground by the wheat milling industry in April, 1945, to produce an all-time April record of 21,701,725 100-pound sacks of regular wheat flour.

World Series Slated To Start October 3

By BUS HAM
WASHINGTON, Sept. 13 (AP)—The world series will start October 3 in the home city of the American league pennant winner and Baseball Commissioner A. B. "Happy" Chandler said today that President Truman probably will attend.

The opening date decision was reached at a meeting attended by representatives of clubs that still figured mathematically in the two close major league races.

Chandler said after the meeting that the first three games of the series will be held in the park of the American league winner and the rest of the series, four games if needed, will be played in the winning National league city.

No Travel Time
If St. Louis or Chicago wins in the National league, which is almost a certainty, and Detroit takes the American league flag, no travel time will be allowed after the first three games.

If Washington wins the American league flag, Saturday of that week would be set aside for travel.

All eligibility lists submitted by the teams represented were approved and additional returning war veterans will be eligible for the series if they report by September 30, closing date of the major league races.

Umpires for the series will be announced October 1.

Prices Same
Ticket prices will be the same as in previous years with a top of \$6 for box seats and a bottom of \$1 for temporary bleachers.

For the first time since Pearl Harbor, receipts from the series will go into the funds of the commissioner's office. Since 1941, a substantial percentage has gone to charity.

SOMETHING IN A NAME
SEATTLE, Sept. 13 (AP)—Elderly George Edward Roberts had his life ambition fulfilled. His name was legally changed to Daniel Livingfree.

The name continually reminded him, his petition said, that his ancestors "were born and labored in slavery."

He left the courtroom, happily repeating: "Livingfree, Livingfree—that's a good name."

Ray Prim Makes Grade With Bruins

By JERRY LISKA
CHICAGO, Sept. 12 (AP)—The clever left arm of grayling Raymond L. (Pappy) Prim is writing one of baseball's greatest perseverance stories—a saga that fits prominently into the pattern of the Chicago Cubs' pennant bid.

In fact, the Bruins' pace-setting run is exactly paralleled by the renaissance of 38-year-old Prim, a minor league pitching woe, who knocked feebly and fruitlessly at big time's door for more than a decade.

Until July 6, just two days before the Cubs moved into the National league lead, Prim appeared destined to fitter away his fourth chance to make the major league grade. He had a faint 2-4 record and made the Cubs wonder how he ever won 22 games for Los Angeles in 1944.

Hurls Opposition Dizzy
But then the quiet, unassuming guy in his 16th year of professional competition started southpawing the opposition dizzy. Since July 6, in winning 10 games and losing only three, Prim fashioned an amazing earned run average of only 1.13.

Two of his three setbacks during that span were by the challenging St. Louis Cardinals, but one was a 3-1 setback in which all three Cardinal markers were unearned and the other a 4-0 reversal when Charley Barrett pitched a one-hitter against him.

Even with his unimpressive start, Prim has a 2.70 earned run average for his 12-7 record. "He's a ball-player's pitcher," praised Manager Charley Grimm. "He has superb control to get the jump on most batters and then he feeds them their wicked curve or screwball."

Silverton Ace Bolsters UO Backfield

EUGENE, Sept. 13 (AP)—Another promising candidate for the University of Oregon's already top-heavy backfield went out for practice today—De Wayne Johnson, lefthanded passer and kicker from Silverton.

Coach Tex Oliver also uncovered a new line candidate: Harry Reiton, 270-pounder from Portland's Franklin high.

Forty Webfoots continued romping through two daily practices. Oliver predicted the perfect practice weather would hammer the squad into better shape than expected for the September 29 opener against Washington.
