# HIGH SCHOOL News Notes and Comment

**By JOAN O'NEILL**  
With the first game of the season only three days away, the school is beginning to feel the usual throbb of pep. Not only have the coaches been lining up their top eleven, but the KUHS band, Pep Peppers and twirlers have been drilling every day for the past two weeks for their part at half-time.

This autumn the drill squads ought to put on a few good displays because the new director, Oland Warcup, seems to have some clever drills up his sleeve.

**Ticket Sale**  
Adult season tickets have been on sale for the past several weeks, too. From the way they have been going, it looks as if there should be a fairly large turnout of the townspeople to watch the Pelicans on the gridiron this year.

**Fire Drill**—Just in case fire drill practice was scheduled for today, drills were held at the beginning of each class throughout the day and during morning home-room period. From now on the fire bell may be ringing at any time so the students may find themselves in many a predicament. That seems to be the ideal that way a jamming may be avoided in case of actual necessity.

**Class Elections**  
Members of the sophomore, junior and senior classes marked their X's on the ballots yesterday to vote for their respective class officers. Results of the elections are as follows: sophomore: president, Tom Edwards; vice president, Bob Dodson; secretary, Mary Lou Case; yell leader, Stuart Oliver. Junior: president, Charles Selby; vice president, Jack Eittrheim; secretary-treasurer, Katherine Newman; yell leader, Connie Hunt. Senior: president, Kelly Farris; vice president, Jim Palmer; secretary-treasurer, Donna Brotherton; yell leader, Ted Reeves.

All four classes voted for the third vice president, who is chosen from the freshman class. Bob Miles was elected to that office. He will fill the shoes of the student body president if the first and second vice presidents are unable to do so.

# THE ROAD AHEAD IS BRIGHTER!

America has rounded the great bend in the highway of war, and the road ahead is bright with hope and promise. Highways will soon be happy ways again.

Instead of leading to battlefronts and dangers, highways will lead to home-to old friends and new happiness.

And that's where Greyhound will be proud to round out its immense wartime job—by re-introducing service men and women (and travel hungry millions at home) to the land they fought for, the land they love.

With the lifting of wartime restrictions, Greyhound will further improve its service. More schedules will be added, giving greater frequency and offering more convenience. Newer buses, modernized terminals, new, high standards of highway travel are now on the way. Look ahead with Greyhound!
