

Wedding Ceremony Read In Yakima

Ruth Frank of Yakima, Wash., became the bride of Don Peterman of Klamath Falls at an impressive ceremony of Tuesday evening, August 28, in the First Church of the Nazarene in Yakima. The Rev. Bertrand Peterson of the Nazarene church in Klamath Falls read the ceremony. The Rev. Milo Arnold of the Yakima church gave the consecration prayer.

The bride, lovely in a gown of white satin, fashioned with a sweetheart neckline and fingertip veil caught with a seed pearl, wore a gold cross for her jewelry and carried a bouquet of tulle and roses.

She was attended by Peggy Oldfield as maid of honor and Mrs. Robert Cherrington as bridesmaid. Miss Oldfield wore a dress of pink tulle and carried a nosegay of pink and white carnations. Mrs. Cherrington wore a gown of blue tulle and carried pink and white carnations.

Edward Peterman of Klamath Falls was best man for his brother. Ushers were Donald Cherrington, Robert Cherrington, Doyle Dorsey, Paul Groening and Donald Frazier.

Susan Mattson was flower girl and was dressed in white.

The couple exchanged vows before a cross decorated with fern and gladioli. Baskets of gladioli decorated the altar.

Hester Frazier sang "I Love You Truly," and Nina Barrett sang "Because." Miss Frazier sang "A Charge to Keep Have I," as the consecration song. The singers were accompanied by Ruby Felter who also played the wedding marches.

Immediately following the ceremony, a reception was held in the YWCA for 75 friends and relatives. After the bride and groom cut the first piece of their large three-tiered wedding cake, Mrs. Carl Stave finished cutting it. Mrs. Charles Klundt was in charge of serving and was assisted by Mrs. Paul Groening and Marilee Courtwright, Clarence Faubian, and Louise and Evelyn Day. Mrs. Hazel Cherrington presided at the punch bowl.

After a short wedding trip, Mr. and Mrs. Peterman will make their home in Nampa, Ida., where Mrs. Peterman is a junior student and her husband is a senior theological student at Northwest Nazarene college.

Needle Work Club

Mrs. Marion Hanks, 133 Pine street, was hostess to members of the Art Needle Work club Wednesday afternoon. Special guests were Mrs. Louise Humphrey, Mrs. Duffy and Mrs. F. R. Olds.

Mrs. Jennie Hurn, a long-time club member, celebrated her birthday anniversary on this date and was surprised with an appropriately decorated birthday cake bearing candles, presented as the members sang "Happy Birthday to You." Strawberry shortcake and coffee were served at four o'clock at tables decorated with bouquets of roses, peonies, and gladioli from the home gardens. Mrs. Ted Shoop and Mrs. D. N. Clemens, daughters of Mrs. Hanks, assisted during the tea hour.

Mrs. Calvin Hunt will entertain the club Wednesday, October 3.

Aloha Past Matrons club will meet Friday, September 28, at 1 o'clock, in the Masonic temple for a potluck luncheon. Officers for the coming club year will be elected, and past presidents of the club will be especially honored by the retiring president, Mrs. A. B. Epperson.

One Best Home Way To BUILD UP RED BLOOD

Altamont PTA

Altamont elementary and junior high PTA met Tuesday in the Altamont elementary gymnasium, with Mrs. R. E. Wanser presiding and Mrs. F. F. Montgomery in the secretary's chair. The meeting was opened by a salute to the flag led by Brownie Scouts, Nancy Pruitt and Sharon Davis. With the resignation of the previously elected vice president and treasurer, it was found necessary to fill these two offices. Mrs. Emma Stevenson was elected treasurer and Mrs. R. E. Pesche will serve as vice president. They were installed by Past President Mrs. W. S. Metler, and each was presented with a lovely corsage.

The following committee chairmen have been selected by the president to assist her in the coming year: Mrs. R. A. Nelson, membership; Mrs. Cecil Barkdoll, budget and finance; Mrs. Fred Gehman, ways and means; Mrs. Charles Thurman, recreation; Mrs. Gertrude Pruitt, publicity; Mrs. Frances H. Davis, magazines; Mrs. Charles Santo and Mrs. W. S. Metler, program; Mrs. Hans Frei, hospitality. Mrs. E. G. Glenger is serving as historian this year.

Teachers of the elementary school were introduced to the parents by Principal Arthur

Millard and those of the junior high school by their principal, A. C. Olson. Mr. Olson and Mr. Millard each presented a short welcoming address asking the parents for their cooperation in the coming school year.

Margaret McClellan entertained the members of the PTA by presenting two cello numbers, accompanied by Mrs. Ruth Mitchellmore, who then played "To Spring," by Greig and "Tarantella," by McDowell. Cake and coffee were served later in the cafeteria.

BLY—Officers training meeting of the Klamath home extension organization was held in the Methodist church parlors on Friday, September 14, in Klamath Falls. Elizabeth Campbell, as county chairman, presided at the meeting. Lila Ross and Helen Smith attended as representatives of the Bly unit.

Fairhaven PTA

Old friends were greeted and newcomers welcomed at the first meeting of the Fairhaven PTA held on Friday, September 14. Plans are well underway for a busy year under the leadership of Mrs. Ed Franklin, president, who succeeded Mrs. Wesley Cross who resigned recently.

A rummage sale will be the money making project for the year with Mrs. Lincoln Leitzke accepting the chairmanship. Meetings this year will be held alternately afternoon and evenings each month. The October meeting will be a night meeting and it is hoped that there will be a good turnout of fathers and mothers unable to attend in the afternoon.

The possibilities of having a school band or orchestra, school bus service, the safety of children walking to school on the highways and the school water supply were some of the important matters brought to the attention of the group for discussion and action.

The second grade, taught by Louise Strowbridge, won the room count for having the most mothers present.

Following the adjournment of the meeting, Wilbur Robinette, principal, introduced the teachers. Mrs. Ray Green, hospital-ity chairman, welcomed them in behalf of the unit and presented each with a corsage. A social hour of games arranged by Mrs. Melvin Gallaspy, program chairman, was then enjoyed.

Refreshments were served by the executive committee.

QUICKER STARTING

Feel it! Enjoy stepping on your starter mornings. Feel your faithful war-time motor spring to new life. Feel its welcome response to the new more volatile elements in Signal's war-born super fuel.

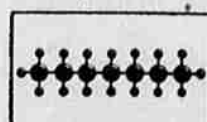

FASTER PICK-UP

See it! When the traffic light flashes green—see the street whirl away under you. The surging power of Signal's new high powered fuel runs you through low—second—high like playing scales on a piano.

HIGHER ANTI-KNOCK

Hear it! Relax to the purr of a quiet, smoothly accelerating motor. The new combinations of antiknock elements in Signal's advanced type fuel give you new power without ping.

How Modern Chemistry Brought You This Amazing New Fuel

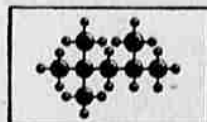

Gasoline is composed of countless different hydro-carbon molecules. Old style gasolines are made up of various combinations of these different kinds of molecules. But, under the impetus of war, chemists found how to take the molecules themselves apart—actually how to rearrange the atoms within the molecules.

The result is the thrilling, amazing power of Signal's new gasoline—bringing you performance so immediately apparent you can **FEEL IT—SEE IT—HEAR IT!**

NEW ECONOMY TOO!

The increased power that brings you this new driving pleasure—brings new economy, too. Because in the same amount of gasoline—you now get additional power for more high-gear miles to take your car farther. So as you thrill to the fun of driving with the new Signal Gasoline—enjoy new extra mileage as you...
