News Notes and Comment

By JOAN O'NEILL

KUHS is preparing for our game with Salem high tomorrow. The team has been getting in shape and the band, Pep Peppers, and twirlers are going to put on their half-time drill. There was a pep assembly this afternoon at 3:20 after which the students were dismissed early.

One member of the assembly committee takes charge at every gathering. Sally Mueller was in charge of this pep get-together. Gordon Green, freshman, sang several popular songs accompanied by Barbara Zinn on the piano. Two members of the Pelican team spoke on the forthcoming game. The program was short so that school could be dismissed a few minutes early.

Three-Day Weekend No school tomorrow because of teachers' institute. The "kids" have had that gleam in their eyes all week that tells of an extra day of freedom this weekend. No such luck for the teachers, however, because the meeting is

scheduled at least most of the day.

K Club Election At a recent meeting of the K club an election was held for the presiding officers of this year. Jim Palmer was elected president, Ben DeVore vice president and Glen Routs, secretary.
