

Instruction School For Local PTA Units Set For October 15

Three Klamath Falls women attended the state executive board meeting of the Oregon Congress of the Parent Teachers Association held September 19 and 20 in Portland.

Mrs. Ivan Crumpacker, Klamath county council PTA president, Mrs. Frank Peyton, state Founder's Day chairman, and Mrs. John Selby, state regional vice president, traveled north for the meeting at which time plans were laid for a school of instruction for local units of PTA to be held on Monday, October 15, at the First Christian church.

The morning session will be devoted to the explanation of the aims and purposes of PTA by Mrs. Harry George, president of the Oregon state congress of PTA.

In the afternoon the assembly will divide into groups devoted to the study of the special duties of each office or chairmanship. The meeting will be from 10 a. m. until 3 p. m. and those attending are asked to bring a sack lunch. Coffee will be furnished.

Those who will lead this year's program for the county council are Mrs. Ivan Crumpacker, president; Mrs. Walter Guyer, vice president; Mrs. William Metler, secretary; and Mrs. Ellis Matthews, treasurer.

Chairman of committees will be Mrs. Frank Peyton, Founder's Day; Mrs. Rollin Thompson, program and music; Mrs. Jim Clark, membership; Mrs. Clifford Golden, publicity; Mrs. Frank Lambo, hospitality; Mrs. Ray Keller, budget and finance; Harold Hendrickson, juvenile protection; E. E. Hambrick, recreation; Jewel Cantrall and Mrs. Roy Carter, character building; Elton Fishback, legislation; Mrs. E. W. Tomlin, fingerprinting; Mrs. D. Harlan, summer roundup; and Mrs. Alvin Egan, publications.

Local unit presidents are Mrs. E. G. Childers, Conger; Mrs. Ed Franklin, Fairhaven; Mrs. Harold Shaffer, Fairview; Mrs. Bury Mason Jr., Fremont; Mrs. Ray Wanser, Altamont; Mrs. Charles DeLap Jr., Henley; Mrs. Lewis Hornby, Riverside; Mrs. A. L. Brandt, Roosevelt; Mrs. M. F. Shreve, Mills; and Mrs. Clifford Golden, Shasta.

The district board members are asked to meet on October 1 at 1 p. m. at Fremont school.

PTA, told members of the Klamath county council meeting at Fremont school last Tuesday of the need for developing local social hygiene programs.

"Oregon state law requires health education in the schools but a true health outlook must spring from the home," Mrs. Moorhead said.

Groups interested in study courses may obtain free pamphlets and free speakers. Fred Scherer, director of the division of social hygiene education of the Oregon Tuberculosis association, explained how films aid in understanding the problems in various phases of social health education.

Mrs. Moorhead will return November 5 and 6, and hopes to contact all interested civic groups to inform them of detailed information of facilities offered for social hygiene programs. Mrs. Moorhead emphasized the greatest need is for trained local leaders who will be available at all times to meet daily problems as they arise.

PTA units may ask for speakers or any help from their Oregon Congress office.
