

TIGERS EVEN SERIES WITH 4-1 VICTORY

(Continued from Page One)

throw to the plate catching a runner coming in, which had the 52,636 fans roaring and cheering as loudly as when he hit his homer.

Hank's Heave
Hack had started this off with his first hit and was sacrificed to second. Peanuts Lowry lined a sharp single to left and Hack tried to score, but was out by three feet on Hank's heave.

All told, the fans contributed to a gross gate of \$220,394, out of which the pool for the series players receive \$112,400.94.

After their first inning spree and their lone-run rally in the fourth, the Cubs threatened only in the eighth, when Hack walked and Lowry singled. But Trucks just poured it in there a little faster, and got Cavaretta and Andy Paiko, who went hitless for the day, on infield rollers.

Immediately after the game it was learned Paul Gillespie, who caught for the Cubs today, injured his right knee swinging at a ball in the ninth inning, and was through for the series. The Chicago backstopping will be handled the rest of the way by Mickey Livingston, who did the receiving yesterday and collected two hits, driving two runs in.

Attendance 53,636; receipts \$220,394.

3377 ENROLLMENT IN COUNTY SCHOOLS

Enrollment in all county schools outside Klamath Falls, with the exception of Malin and Gilchrist, totaled 3377 students at the end of the first month.

Reports had not yet been received from the Malin or Gilchrist schools and since both are large institutions, the figures are expected to be several hundred higher.

Monthly reports from the county school office show the following enrollment figures: Bonanza, 234; Weyerhaeuser camp 4, 13; Fort Klamath, 30; Keno, 120; Bly, 275; Fairhaven, 307; Shasta, 354; Merrill, 288; Summers, 112; Henley, 370; Shevlin, 18; Chilcoquin, 321; Sprague River, 89; Altamont elementary, 338; Altamont junior high, 501; Crescent Lake, 11.

Three of the county schools, Henley high, Merrill and Bonanza, are now closed because of the potato harvest.

MAG LIFTS BARS ON JAP FREEDOM

TOKYO, Oct. 4 (AP)—General MacArthur decreed a revolutionary magna carta for Japan today, ordering the imperial government to remove all bars to freedom of speech, religion and assembly, disband the brutal, still-active "thought police" and release their 3000 political prisoners by October 10.

enterprise. We must stick together. If we don't, God help the world.

If every American could see the terrible physical destruction, the moral breakdown and the utter hopelessness of Europe, there would be no difficulty in getting the people of this country to work together in peace as they did in war, Jenkins said.

Jenkins said that the people of Germany show no evidences of any regrets about the war except that they didn't win it. He said that there are many competent observers who believe it will be necessary to occupy Germany for 40 to 50 years, until the present generation has passed out of the picture.

He voiced the opinion, given previously in an interview at Washington, that military government of Germany should be replaced by civil government as quickly as possible.

With the British Empire and the USA now in control of the better part of the world, it is imperative that we have a common language, if for no other reason than to understand one another.

Denies Knowledge
Yamazaki, who heads the "thought police," blandly denied any knowledge of the prisoners in an interview with the Associated Press today.
