

# PELICANS SPANK ASHLAND 13-6

## Edwards, Redkey Spark K-Men To Thrilling Win

### Klamath Counters In Second; Third Quarters To Avenge Last Year's Tie

By PAUL HAINES

The twinkling feet of Tommy Edwards and the jarring tackling and driving offensive work of Bob Redkey evened a score of a year's standing last night at Modoc field when the Klamath Pelicans nipped the Ashland Grizzlies 13 to 6 to avenge an unwarranted tie ball game between the two elevens last year.

The Pelicans countered in the second and third quarters and the Grizzlies struck pay-dirt in the final period on a five-yard pass from Harry Kannasto to Ed Beare.

### Thrilling Battle

It was a thrilling battle all the way with either team a threat on any part of the field. The game was actually more one-sided than the score indicates as the Pelicans piled up a total of 279 yards from scrimmage against Ashland's 117.

The Klamath eleven accounted for 14 first downs while holding the Grizzlies to eight.

Coach John Roberts and his Ashland squad have nothing to be ashamed of, however, as the Grizzlies were very much in the ball game from the starting whistle to the final gun.

After a see-saw first quarter, the Pelicans exploded all over Modoc field with Bob Redkey setting off the charge.

In the early stages of the second stanza Herbert Barker boomed over right guard for 18 yards and a first down on the Ashland 45. Edwards skirted left end for three yards and on the next play Redkey crashed over the guard, shook off at least three potential tacklers, and scampared 42 yards for the first score of the game.

### Gallant Gallop

On his gallant touchdown gallop, Redkey was staggered several times but managed to hold his feet and cross the Ashland goal line. Leroy Coleman's dropkick for the extra point was wide.

The Pelicans immediately embarked upon another drive, with Barker, Edwards and Redkey carrying the mail, that carried them to a first down on the Ashland five-yard stripe.

Aided by a five-yard penalty on Klamath, the Grizzlies made a determined goal-line stand and halted the Pelican thrust on their five.

### Sustained Drive

The second Klamath tally came midway through the third quarter on a sustained march that started on their own 41. Six plays netted the Pelicans two first downs and moved the ball to the Ashland 35. Coleman whipped an aerial to Chuck Thurman good for 13 yards and another first down on the 22.

Edwards scampared around left end to the 12 and then sprinted to the Ashland one-foot line. On the next play, Coleman punched over center for a touchdown on a quarterback sneak and added the extra point with a perfect dropkick to make the score 13 to 0.

The Grizzlies took full advantage of a break in the fourth period to score their only touchdown after Leonard Williams recovered Ray Craig's fumble on the Klamath 29. Craig had advanced the ball all the way from the Pelican 15-yard line when the fumble occurred.

The Grizzlies roared to a first down on the 19. Two forward passes gained only one yard, but on the third attempt Williams plunked the pill in Mitchell's outstretched arms on the three-yard line.

### Grizzlies Score

Redkey spilled Williams for a two-yard loss but the Grizzlies had scented blood and scored on the next play when Kannasto flipped a pass to Beare in the flat without a Klamath defender within shouting distance.

This play ended the scoring as Peterson's placekick was partially blocked.

In the final stages of the fourth canto, Edwards reeled off the most spectacular run of the entire game when he received Beare's punt on the Klamath 35 and waded his way back 45 thrill-packed yards to the Ashland 20 while 4000 fans screamed encouragement.

The gun sounded three plays later with the ball resting on the Ashland 15-yard line and the Pelicans on the march once again.

Edwards, Redkey Outstanding Edwards and Redkey were unquestionably the outstanding players on the field last night. Redkey's defensive work was superlative as he was in the Ashland backfield more than the Ashland backs themselves.

He tackled with a savagery that was surpassed only by his driving, twisting 42-yard touchdown center.

Edwards ran around and through the Ashland eleven with a display of sheer speed seldom equaled on Modoc field and never, not once during the whole game, did the first Grizzly tackler that had a shot at

## 1945 Series Packed With Sentiment

### Ray Prim Gets First Shot At Pitching World Series Ball Game For Cubs Today

By FRANK KENESSON

CHICAGO, Oct. 6 (AP)—If ever a world series was packed with sentiment, this 1945 championship affair, last of a wartime era of patched-up lineups and aging competitors, gets the brass ring.

Jolly "Cholly" Grimm, universally admired keeper of the Cubs, keyed the clambake with his announcement that Ray Prim, 38-year-old native of Sallipa, Ala., would unload his southpaw slants, cultivated of necessity when an accidental burn left his right hand without gripping power, against the Detroit Tigers "old man" in today's important fourth game.

"Hell of a Job"

"Prim has done a hell of a job for this ball club all summer," Grimm said with all the appropriate gestures. "He's nearly 40 years old and bustin' to pitch his first world series ball game, so he'll get the chance. If ever a guy earned a starting pitching job in the series Ray has. He's our man to keep this Detroit outfit down and he can do it."

On the other side of the field Detroit's beloved Manager Steve O'Neill, sentimental Irishman that he is, had a heart full of situations paralleling Grimm's sincere interest in his steady Cub left-hander.

Chuck Hosteler, spare outfielder the Tigers snatched out of a factory two years ago to add depth to a garden depleted by the war, literally begged O'Neill for a chance to get his name in a world series box score before he retires—again—more than 20 summers. Hosteler, now 40 years old, drew two opportunities as a pinch-hitter. Hubby Walker, up with the Tigers for the third time since breaking in as a Bengal with Brother Gerald 14 years ago, also was used in a pinch role and 32-year-old Jim Tobin, knuckleballer whose best pitching days definitely are behind him, saw three innings of relief duty.

Wildcats Threaten Several Times But Never Chalk Up Score; Grants Pass Next

By WESLEY ROBINSON

(KUHHS Krater)  
Defeated for the third consecutive time, the KUHS Wildcats lost to Malin's Mustangs Friday by a narrow 7-0 margin in a game scheduled on practically a moment's notice. This tilt was not originally scheduled on the Wildcats' list of grid contests.

### Malin Scores

Malin chalked up its only score in the first quarter on a line plunge from the Wildcats' four. Their conversion, also in the form of a line plunge, was successfully completed, and put the 'Cats in the hole right from the start. From there, it proved to be an even battle with neither side getting past the other's five yard line. Malin, however, was once able to reach Klamath's six after completing a long pass.

The Wildcats threatened several times throughout the Malin tilt, but never were able to make it over the goal line. One pass from the 'Cats 45, put Klamath on the 15, but they were held there for downs.

Klamath was not outweighed by the opposition for the first time this year and the Wildcats had a slight weight advantage over the Mustangs. Malin was playing on its own home grounds, however.

The ball laid almost where it had started, on the 50, when the final gun ended the contest with Klamath in possession of the ball.

### Wildcats Improved

Wildcat football, nevertheless, seems to be improving, and by the end of the season the team should be fairly well versed in the game. The 'Cats use the T-formation type of play.

Bonanza was to meet Klamath October 3, but that game was cancelled. Also, Henley, instead of Malin was scheduled to be the Tabbies target October 5 when this too was changed. Grants Pass will travel here for the next game October 10.

### Clippers Nose Out San Jose Club 14-7

SAN JOSE, Calif., Oct. 6 (AP)—The San Francisco Clippers put together two third period touchdowns and conversions last night in Spartan stadium to see the 10-round at the St. Nicholas arena. Doyle weighed 148, Green 144.

NEW YORK, Oct. 6 (AP)—Jimmy Doyle of Los Angeles won his 24th straight victory tonight, giving a masterful exhibition of boxing in decisively outpointing Johnny Green of Buffalo. A crowd of 3791 paid \$950 to see the 10-round at the St. Nicholas arena. Doyle weighed 148, Green 144.

By contrast, the Tigers seem slower afoot than the St. Louis Browns, who lost to the Cardinals in six games.

"After watching those Cubs in action, especially Andy Parko and Phil Cavarretta," ventured one writer, "the Tigers look like they're running with snowshoes on."

## Bruins Sock Toothless Tigers 50-0

LOS ANGELES, Oct. 6 (AP)—It could have been twice as bad, but the UCLA Bruins settled for a 50-0 win over Amos Alonzo Stagg's toothless Tigers last night in the Coliseum.

Using second and third-stringers almost exclusively, the speedy Bruins rolled up eight touchdowns, three of them in the first quarter, and probably would have tallied many more if Coach Bert La Bruce had elected to use regular backs Cal Rossi and Skip Rowland.

Rossi's relief, Ken Solid, scored two touchdowns, while Don Nelson, one of Rowland's understudies, swept 64 yards for the longest scoring jaunt. Bruin backs averaged eight yards per scrimmage carry.

The undermanned Tigers, who had only 22 players in uniform, threatened only once when they marched to the Bruin six-yard line in the first quarter, but were quickly repulsed. The Bruins, rolling up an amazing total of 601 yards, running and passing, made 20 first downs to five for Pacific.

A crowd of 15,000 watched UCLA hang up its second win in three starts.

## Ted Norbert Paces Suds To 3-2 Win

SEATTLE, Oct. 6 (AP)—The booming bat of big Ted Norbert, who led the Pacific Coast league home run parade this season with 23 circuit clouts, gave the Seattle Rainiers a 3-2 victory over the San Francisco Seals in the opening game of the Governor's Cup playoff finals here last night.

Norbert, Rainier left fielder, crashed out a round-tripper with the bases empty in the eighth inning to break a 2-2 deadlock between the two clubs.

Manager Lefty O'Doul of the Seals will send his ace right-hander, Bob Joyce (31-11) to the mound tonight in an effort to even the series. Joyce will be opposed by Farmer Hal Turpin (18-8), veteran hurler who left his Oregon ranch after the season was underway to join the Rainiers.

The Bay City club, cup winners for the last two years, scored in the second and third innings to take an early 2-0 lead. Both runs were made off 40-year-old Carl Fischer, but the first was unearned. Fischer was lifted in the seventh for Kelth Frazier after giving up four hits. Frazier received credit for the win.

The Rainiers drove Frank Seward from the mound in the seventh when they knotted the count on Bob Finley's triple, Johnny Gill's double and Hal Patchett's single.

Floyd Ehrman, San Francisco relief chucker, retired the side without further damage, but the stage was set for Norbert's game winning poke over the left field wall in the following inning.

## Golfdom's "Big Four" Trail In Tacoma Open

By JACK HEWINS

FIRCREST GOLF CLUB, Tacoma, Wash., Oct. 6 (AP)—Byron and Ben and Sammy and Jug had a lot of picking up to do around the golf course today to reclaim the strokes they dropped in the first two rounds of Tacoma's \$10,500 Open golf tournament.

The big four of golf, though never out of a challenging position, had nary a member in the trio of front runners when they teed off today for the third 18 holes. Jimmy Hines of Chicago, Pvt. Bob Hamilton of Fort Lewis, Wash., and Ed Furgol of Detroit were on top with 137's. Three under par for the 6460 yards of Fircrest.

Jug Takes Six  
Jug—Harold McSpadon of Sanford, Me.—was fourth with 138. He had a great chance to leap-frog the leaders on yesterday's final hole, needing only a par four to go in front. He approached badly, tied up three knocks with his putter and took a six for a 72.

Byron Nelson of Toledo had a 89 that would have looked much better without a seven on the par five No. 10. He and Sgt. Jim Ferrier of San Francisco, who skidded to a 72, were deadlocked at 139. Sam Snead of Hot Springs, Va., was tied for eighth with Ky Laffoon of Chicago at 141 and Ben Hogan of Hershey, Pa., was in tenth spot with three others at 143.

Hines Fires 67  
Hines, with a 67 that included a 32 on the tough par 35 outgoing half, turned in the day's best card. He scrambled

to do it, needing six birdies to make up for slipping over par on three holes.

Hamilton, playing in the same trio and confiding later that his game was "bad," had a 68 that included five birdies. Furgol stuck close to regulation figures and came home with 71.

Forty-five golfers, including 10 amateurs, qualified for the final 36 holes of play today and tomorrow. Harry Givan of Seattle led the simon pures with a 71-71-142.

A gusty wind groped all day for tee shots, but the tricky greens handed out most of the grief. Hamilton and Nelson said the majority of their birdie putts were shoo-ins. Three-putt greens were as common as autumn sneezes and scores of 151 earned berths on the qualifying list.

Drake's Bulldogs Meet Tulsa Tonight

TULSA, Okla., Oct. 6 (AP)—Drake's Bulldogs, led by Del Cockayne, the nation's second highest football scorer last season, likely will see Tulsa's Hurricane return tonight to the passing game that sent it into four bowls in as many seasons.

The Missouri Valley conference clash, seen as the first actual test of Tulsa Coach Henry Frnka's 1945 machine, will be the eighth in a series in which Drake so far has triumphed only once.
