We Americans have been treated by our national government as though we were children, to be scared with fears of bogymen and seduced by promised sugar plums from Santa Claus. The result is that when Washington says anything, we have learned to keep the salt-shaker handy. — Rev. Dr. Bernard Iddings Bell, Providence, R. I.

Merrill

MERRILL — Construction is being pushed on a new building on Main street, located between the Merrill garage and the Merrill Billiards. Part of the space was formerly an alley and the rest has been occupied by a cafe. The building is owned by K. C. Burke, owner of the billiards, and will be occupied when completed by a business new to Merrill. No announcement on the prospective tenant has as yet been made. Completion is scheduled for November 1.

Herman Horn, Redding, is the contractor.

MALIN — First Lt. Walter Stastney, Laddie Toffel and Robert Faulkner, all in the service in Germany and other parts of the continent, have received discharge and returned to Malin. Doris McCord, one of the first two Klamath county girls to join the WAC, also arrived home this week after seeing many months of service in England.

Mr. and Mrs. Vern Whitlatch and daughter, Candace, Klamath Falls, had dinner with Mr. and Mrs. Jess Whitlatch Sunday.

MERRILL — Women of the Moose, Merrill chapter 18, reported this week a \$102.05 return on the rummage sale sponsored September 28 and 29 by the graduate regents of the chapter.

The report was given at the last meeting of the organization presided over by the senior regent, Margaret Fields. A report was given on the executive meeting held October 1 at the home of Veronica McNeil.

The alumni committee will present a chapter night program at the next meeting, October 16.

TULELAKE — Tulelake high school Honkers meet the Yreka Gold Miners in a conference game Friday at 3 p. m. on Yreka's field. The Honkers mopped up on the Butte Valley squad last week end to the tune of 64-0, but the score is not indicative of the probable strength of the Dorris 11 which had had no previous practice games. The Honkers had the edge by playing Alturas and Merrill, losing to the Alturas school and taking a win from the Merrill Huskies.

Other games on the schedule coming up before the end of the season are the first three conference games for the northern county title: McCord at McCord on October 19; Mt. Shasta at Tulelake, November 2; Etna here, November 9; Alturas at Alturas, November 16, and Butte Valley, November 21.

FALSE TEETH

Need Not Embarrass That Loosen

Many wearers of false teeth have suffered real embarrassment because their plate dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little PASTEETH, the alkaline (non-acid) powder, on your plates. Holds false teeth more firmly, so they feel more comfortable. Does not sour. Checks "plate odor" (denture breath). Get PASTEETH at any drug store.
