TIRES STILL RESTRICTED, OPA STATES

Car owners applying frantically for tire permits at the OPA office are doomed to disappointment, Howard Strode, local board supervisor, stated today.

Deer and duck hunters from all over the country, even as far south as Los Angeles, have been deluging the Klamath OPA office this past week with requests for tires, Strode said.

Although gas is no longer rationed, tires are still restricted, with doctors, visiting nurses and farmers alone having priority. Others will have to follow the established wartime procedure for obtaining tires, he said.

"Unlimited pleasure driving since the restriction on gas was lifted, has naturally been hard on tires, but at the present there is nothing the OPA can do about it," Strode said. "Tires should be preserved as carefully now as during wartime, since there has been no release on rubber yet from enemy held lands, and the supply of synthetic rubber is as limited as ever."

NASH DISCHARGED FROM AIR FORCE

Capt. John W. Nash, 24, son of William E. Nash, 2 Mill, was honorably discharged from the army air force at McClellan field, Calif., this week. Nash entered the service April 15, 1942, served overseas with the 15th air force as pilot in the Italian theater of war from December, 1943, to August, 1944. He holds the Distinguished Flying Cross, the Air Medal with four Oak Leaf clusters, and the Presidential Citation with one Oak Leaf cluster. Nash was graduated from KUHS in 1939, and before entering the army was an automotive parts salesman.

Discharged from Fort Lewis, Wash., this week were PFC Benjamin L. Snowgoose of Keno, PFC Glen A. Bowles, box 522, route 3, and T/5 Robert M. Hulett, 1752 Division, both of Klamath Falls.

17 DISCHARGES RECORDED HERE

Discharges from the armed service of 17 more Klamath county men and women were recorded by the county clerk's office Tuesday.

The following have all been released from the army or naval service recently:

Quenton Jackson Hudson, Gene M. Deyarmie, Alvin A. Moore, Gordon W. Vann, Ellis E. Wyrick, Kenneth E. Nichols, Kendall W. Schuler, Orville B. Mulford, Darrel Wayne Snow, Gene Richard Williams, John J. Jones.

Fred P. Battis, Frank Rudolph Bruner, James H. Zeigler, Ethel M. Storm, Edward Barden and Norman Eugene Hand.

RUSSIANS INSIST ON ALLIED COUNCIL

WASHINGTON, Oct. 17 (AP)—Secretary of State Byrnes said today the Russians are insisting on an allied control council to run Japan but he still hopes they will join in an American-sponsored advisory commission this month.

The secretary strongly implied at a news conference that since the United States will not accept the control council plan, Russia may refuse to send a representative to the advisory commission.

The proposed council would be in place of—or superior to—Gen. Douglas MacArthur.

When the United States' suggestion for an advisory commission went out, Byrnes related, the Russians accepted but suggested that a control council should be set up first. Byrnes subsequently said he considered this an unwise procedure.

About the same time he summoned the nine other nations to send representatives to the organization session of the advisory commission here October 23. Several governments have accepted, but not Russia.

Byrnes said the Russians have advised him they still feel the control council should be set up first. He said he hopes they will send a representative to the advisory commission here anyway.

SOVIET FORCES WILL PULL OUT OF MANCHURIA

CHUNGKING, Oct. 17 (AP)—Foreign Minister Wang Shih-Chieh said today the Chinese central government has been informed by Moscow that soviet forces have begun a withdrawal from Manchuria which will be completed by the end of November.

Wang also announced that Chinese forces in northern Indo-China would be withdrawn "in the near future."

He said negotiations were in progress with the French on a number of Indo-China subjects, but he added he was not in a position to discuss them.

Wang declared a rumor that Wei Tao-Ming, Chinese ambassador to Washington, was returning to China to become mayor of Shanghai was unfounded. He said Wei had been appointed Chinese representative of a Far Eastern commission.

Wang said recent incidents in Siam "in which a great number of Chinese nationals were killed and wounded as a result of Siamese police action are causing general indignation among the Chinese public."

He said the Chinese government was seeking through diplomatic channels "to prevent any recurrence of such incidents" and was asking "punishment for those responsible for the acts of violence."

The Chinese government has notified the Siamese government, Wang said, of its intention to send a diplomatic representative to Siam, to improve relations between the two nations.

EUGENE ARMY ACE REPORTED MISSING

TOKYO, Oct. 17 (AP)—Fifth air force headquarters announced tonight Col. Gerald R. Johnson, 25, of Eugene, Ore., a leading army ace of the Pacific theater, and his co-pilot, Lt. James B. Noland, of Houston, Texas, have been missing since the night of October 7 on a flight from Ie Shima to Atsugi airfield near Tokyo.

Johnson was the pilot of a B-25 Mitchell bomber from which four other men parachuted safely near Numazu, 75 miles southwest of Tokyo, after their fuel supply dwindled to 25 minutes flying time.

Maj. Gen. K. B. Wolfe, acting commander of the 5th air force, said search for the missing plane was hampered by bad weather but was continuing with the cooperation of Japanese police and civil authorities.

He said hope had not yet been given up for Noland and Johnson. The latter had 24 planes to his credit.

"Tokyo Rose" Placed In Jail

TOKYO, Oct. 17 (AP)— Los Angeles-born Iva Toguri, accused of broadcasting propaganda to American troops from Tokyo as "Tokyo Rose," was placed in the Yokohama prefecture jail today, U. S. eighth army officials said.

The U. S. army is reassuming authority in the case because she is an American citizen. When first arrested she had been turned over to Japanese civilian police.

YOUNG EN ROUTE TO UNITED STATES

Sgt. James N. Young, route 3, box 152, Klamath Falls, recently liberated from a Japanese prison camp, is now in Manila, resting and awaiting transportation for his long journey back to the United States.

Young enlisted in the army air force early in 1940, after his graduation from Fairhaven and Keno schools, and Coquille high school. In 1938 he became a logger for the Theodore Webb firm at Keno.

Serving in India, Burma and China, as a radio operator and gunner aboard a B-25 Mitchell bomber, Young was among the first units sent to Asia. Active for several months over Burma, he was shot down in the first raid over Hongkong, China.

"We were attacked by Japanese Zeros right after our bombs had been released on the target," Young said. "Bullets from the Zeros set our right engine afire, and we couldn't manage to keep up with the rest of our bomber flight."

"Then they concentrated fire on our other engine," he continued, "and finally knocked it out. We saw that we were done for when our guns were put out of action, and two of us bailed out in parachutes at 500 feet. The pilot crash-landed our B-25 in a rice paddy. However, before we fell we managed to shoot two of the Nips out of the air. We managed to hide from the Japanese for eight hours," he said, "but we were finally captured and spent the duration in Shanghai prisoner of war camp, and Hokkaido, Japan, until that great day when the Yanks came bursting into our prison."

His plans for the future are "sketchy," but Young will not remain in the service. He may take advantage of the GI bill of rights and secure a college education in the field of aviation or radio. But first, he plans a long restful vacation in Klamath Falls.

Willamette Falls Fish Ladders Fixed

OREGON CITY, Oct. 17 (AP)—A state fish commission crew has completed more than a month's work repairing the fish ladders at Willamette Falls—first repairs in 10 years.

The $5000 project included renewal of concrete fish ladder walls and basin baffles, chipped off by boulders and logs during high water, Master Fish Warden M. T. Hoy reported.

PHENOMENA REPORTED AT CRATER LAKE

Reports as to peculiar activity at Crater lake continued to reach Klamath Falls and this weekend a group climbing Garfield peak reported another phenomena.

Just Trippett, 338 Klamath, was a member of the party going up Garfield trail and he said that when he stopped at the first crest, about 1500 feet along the trail, he looked back and saw a huge crescent shape form in the lake. At one tip a large mass of muddy water was apparent.

As the crescent moved toward the shore, it appeared to disintegrate as if it were made up of bark or pumice, Trippett said. The crescent seemed to be about 700 feet long and the muddy section at the far tip was apparently some 200 feet in area.

The mass in the water was observed by the party at 2:08 p. m., Sunday, Trippett said, and when they continued their climb and looked back, low clouds obscured the view. It was a layman's opinion that the crescent was made up of matter "spewed" from the bottom of the lake.

ROLL IT HOME

LINCOLN, Ill., Oct. 17 (AP)—Tires still are among the items on the scarcity list, so when Ray Clapper, a tire dealer, lost one off a truck the other day he marked it up as tough luck.

But Clapper got a letter from Mrs. Cora Steller of Aurora, Ill., saying she found a tire with his name on it, and "how should she ship it, please?"

The World Series was broadcast for the first time in 1926.

Silverton Man Killed In Fall

SILVERTON, Oct. 17 (AP)—A fall down a stairway at his home was fatal Monday night to Alex Halverson, 83, he fractured his skull.

A niece and a nephew survive.

AUTO WRECK FATAL TO PORTLAND MAN

PENDLETON, Ore., Oct. 17 (AP)—Four motor vehicles, two trucks and two passenger cars, figured in a collision on the Oregon Trail highway between Pendleton and Stanfield Tuesday night with Wesley George Strutt, 46, Portland, fatally injured and Mrs. Della Wagner, La Grande, and Eldon Walker, discharged bluejacket from Cottage Grove, Ore., receiving minor injuries.

Strutt's car collided with a parked truck and he was pinned in the machine. He was finally extricated but died en route to the hospital. Riding with him was Walker. Mrs. Wagner, in another car which collided with another car received a broken wrist and face lacerations.

A tire fire caused the first truck, driven by Wayne Taylor of Hermistan, to stop, and the second truck, driven by Stanley Thompson, Pendleton, stopped to give assistance.

HALLOWEEN PARTY TO BE HELD AT USO

"Who's who" will be anybody's guess at the Halloween costume party and dance to be held in the USO next Tuesday night, when ghosts, goblins, pirates and ballerinas will mingle and hobnob.

Following closely on the heels of the Gay 90's party, the costume ball is expected to be an equally successful affair. Ruth Newberry, responsible for the original decorations of the "polka party" last Monday, will have her artistic hand in arranging atmosphere for this next event.

Fletcher Henderson's orchestra has been engaged for dancing.

TEACHERS MAY SMOKE

NEW BRUNSWICK, N. J., Oct. 17 (AP)—Teachers of the Oak Tree school in nearby Raritan township now may smoke in the school's boiler room. The board of education agreed that "smoking is generally accepted today."

Your child needs a special laxative... FLETCHER'S CASTORIA!

Adult laxatives may be too harsh for a child's delicate system. Fletcher's Castoria is the laxative to use because it is made *especially* for children.

It's safe and gentle—as a child's laxative should be—and it works thoroughly and effectively.

There are no harsh drugs in Fletcher's Castoria. It will not cause griping or discomfort.

Moreover, Fletcher's Castoria is pleasant-tasting. Children like it, so you don't have to fight with your child to get it down.

Get Fletcher's Castoria at your drugstore today. Look for the green band and laboratory control number on the package.

Always take a laxative only as directed on the package or by your physician.
