

Martha Shops and Shops

Town Shop Shows High-Style Bags

HERE'S an assortment of high-style novelty bags at The Town Shop . . . that are so unusual Martha could hardly wait to tell you about them.

In one group are the famed Kayser bags . . . with gloves to match . . . and in the other the picturesque Film Star bags . . . wonderful for carrying out costume effects.

The Kayser line . . . priced at \$4.57 complete (including bag, gloves and tax) . . . comes in several designs of duodecimo and bengaline . . . and some of the colors must have originated in the Arabian Nights . . . the sapphire blue, vivacious aqua, flame pink, oriental cherry. Then there are black, brown and gray . . . a shade that has been hard to obtain this season.

Naill-head trim decorates some of these . . . and the bengaline bags are all dressed up with carved-plastic handles.

Definitely novel are the Film Star bags of felt . . . in fuchsia, purple, royal blue, Kelly green, bright red, black and brown . . . priced from \$4.75 to \$7.15, including tax. The "Ever Amber" is a plastic and felt combination with drawing top . . . the "Squire Away" a boxy number . . . and a tulip-shaped design by Dorothy Lamour.

Remember, you can get gloves to match at . . . in its new location . . . Fifth and Main.

Whytal's Displays Casual Dresses

LARGE shipment of casual frocks arrived at Whytal's this week . . . the type that Martha calls accommodating dresses . . . because they're so wearable and moderately priced.

In one group were the Classic Cal shirtwaisters. All of you who have worn these wouldn't need to know any more . . . the name is enough. But Martha couldn't refrain from mentioning the material . . . it's unbelievably soft . . . feels like what you'll remember as pussy-willow silk. The shades are equally soft and flattering . . . silvery blue, sagey green, grey and fuchsia. Sizes run from 12 through 20 . . . and, Martha checked the price a second time to be sure . . . they're only \$9.95.

At the request of numerous customers, Wanda Speer said that Whytal's has obtained an assortment of winter jerseys . . . warm-toned prints . . . very inexpensive, considering their practicality.

One style has a dropped arm-hole short sleeve . . . the collar . . . and side gathers on the skirt . . . in sizes 12 through 18. Another is more tailored . . . a shirtwaist top with full-gored skirt . . . slenderizing to large figures . . . and sizes are from 38 through 44.

Then there's a third group that Wanda brought out . . . rayon sports dresses for \$8.95 . . . thoughtful and colorful . . . excellent for school wear by the Teen Miss. Gores give the skirts a flare . . . while the fitted waists are set off by narrow leather belts that tie in front.

You'll find these at Whytal's store . . . in the Medical-Dental Building.

Studio Obtains Triple Compacts

OR the convenience of patrons . . . a new line of bewitching compacts is available at the Studio of Beauty . . . the Trio-ette, a triple compact by Plate . . . in several color selections.

This particular compact is shaped like a small hand mirror . . . with the loose powder compartment on one side . . . rouge concealed beneath the mirror . . . and the lipstick in the handle.

Featuring make-up harmony for different complexions, it seems to Martha the Trio-ette would be ever so convenient for a quick fresh-up . . . with everything in one package, so to speak.

The Studio of Beauty specializes in hair cutting . . . which is especially important to a permanent wave. Hair must be correctly tapered, Fern Short explained . . . to get springier curls, smoother contours and prettier permanents . . . in fact, it's the secret behind the quality and wearability of the finished hairdo.

The Studio of Beauty is on the Mezzanine of Whytal's . . . in the Medical-Dental Building.

Time To Order Greeting Cards

IT was appalling to discover that December 25th is only 68 days away . . . and Martha scooted in to Shaw's to see about ordering holiday greeting cards.

You know, the earlier you order . . . the better selection you have . . . and the more certain you'll be of having them back from the printer in plenty of time.

Shaw's has unusual boxed assortments of cards this year . . . very inexpensive. Many designs show the Mexican trend . . . there are lovely religious assortments . . . and some especially illustrated for children. You can have your name printed on these . . . but most prefer the more formal, individualized cards that you can select at Shaw Stationery Co. . . . 729 Main.

Cal-Ore Perfect For Occasions

FRIEND mentioned the other day that her husband always remembers her birthdays and wedding anniversaries . . . by taking her to Cal-Ore Tavern for dining and dancing.

She said she often wondered how he remembered so consistently . . . when many husbands don't . . . until he happened to remark that he has such good times on these occasions that he wished they'd come oftener. Now his wife's figuring out some more "occasions" that need celebrating.

Of course, it really is the smart place to go . . . because you not only can have a delicious meal . . . but a variety of entertainment . . . and music by a top-notch orchestra, as well.

For you newcomers . . . you'll find Cal-Ore on Highway 97 South.

COMMITTEE TURNS THUMBS DOWN ON BILL

WASHINGTON, Oct. 18 (AP)—The senate irrigation committee today turned thumbs down by a 12 to 2 vote on a measure by Senator Murray (D-Mont.) for a Missouri valley authority.

The senate commerce committee previously had rejected the bill. It will go to the senate agriculture committee for a last review, however, before senate action.

Chairman Bankhead (D-Ala.) of the irrigation committee told a reporter he believed there was "little chance" of senate passage.

The chairman said Senators Langer (R-N.D.) and Mitchell (D-Wash.) voted for the Murray bill while he and the following were opposed:

Senators McCarran (D-Nev.), Overton (D-La.), O'Mahoney (D-Wyo.), Chavez (D-N.M.), O'Daniel (D-Tex.), Gurney (R-S.D.), John Thomas (R-Ida.), Butler (R-Neb.), Millikin (R-Col.), Cordon (R-Ore.) and Knowland (R-Calif.).

The bill would put virtually all water programs in the Missouri River valley under a three man board of directors.

KF SHRINE CLUB GIVES TO HOSPITAL

Members of the Klamath Falls Shrine club have contributed a total of \$27,000 to the Shrine Hospital for Crippled Children, Portland, with the presentation of a check for \$5410, to the hospital this week.

The Klamath club is outstanding for its donations to the hospital and along with money, sent two tons of potatoes and two beaves to the institution recently.

The Hillah Shrine temple, including affiliated clubs of southern and central Oregon, presented checks totaling more than \$30,000 to the hospital at a meeting of Al Kader temple Monday night, Ostendorf said.
