

OUR MEN AND WOMEN IN SERVICE

RECEIVES DISCHARGE
 Maj. Robert D. Shaw, 445 Riverside, who was last stationed at the Deming, N. M., army air field has been honorably discharged from the army air forces at Portland.

Maj. Shaw served for three years as a pilot with the famed 8th air force. During his tour of duty he was awarded the Distinguished Flying Cross for heroism under enemy fire. He also has been awarded the Air Medal with an Oak Leaf cluster and the Purple Heart for wounds received in action.

While stationed at Deming army air field, Maj. Shaw was commanding officer of all transient troops on the base. His wife, the former Patricia Gallagher was with him.

Sgt. Lloyd Haskins son of Mr. and Mrs. Veril Haskins, 3125 Hilliard has been awarded the Silver Star medal for gallantry in action. Sgt. Haskins entered the army in November, 1941. Before that time he had been doing farm work. He has been overseas since October, 1944.

His brother, PFC Walter Haskins, is stationed in Paris, France. Lloyd, now at Mar-seilles, will go into Germany with occupation troops. He received the Silver Star for action on April 14, 1945, in Brittany, France. During a night operation, he was a rear man of a patrol which was pinned to the ground by surprise close-range enemy machine gun fire to a machine gun fire. As the action progressed, Sgt. Haskins, realizing that the flank and rear of the patrol were in danger of enemy envelopment and its members subject to capture or annihilation, crawled through a half of machine gun fire to a position on the right flank. Recognizing a German approaching from the flank, he fired his rifle at the enemy soldier until the weapon jammed because of a defective clip.

Momentarily, he was unable to reload, and at this critical moment he observed four more enemy soldiers approaching and firing as they moved. He calmly reloaded his rifle and killed two of the enemy at point-blank range.

 A veteran of three Pacific campaigns, Maj. Clarence Brissenden, stationed at the naval repair base at San Diego, recently assumed command of the marine detachment at that station.

Maj. Brissenden was awarded the Bronze Star in recognition of his heroic conduct while serving with an artillery unit in operations in Bougainville, Guam and Iwo Jima.

PIN-WORMS
 At Last—
 A Real Treatment!

Anyone who has ever had Pin-Worms knows how tormenting and embarrassing this infection can be, and how hard it may be to deal with the creatures, once they get a foothold inside the body.

Today, thanks to a special, medically recognized drug (arsenic violet), a highly effective treatment has been made possible. This drug is the vital ingredient in P-W, the Pin-Worm tablets developed in the laboratories of Dr. D. Jayne & Son. P-W tablets are small and easy to take, and they act in a special way to remove Pin-Worms. So watch out for the warning signs that may mean Pin-Worms in your child or yourself—especially the irritating rectal itch. And don't delay. Ask your druggist for JAYNE'S P-W right away, and follow the directions. Satisfaction guaranteed, or your money back.

It's easy to remember: P-W for Pin-Worms!

The three Chapman brothers met in the Philippines recently. Left to right, PFC Howard Chapman of Klamath Falls, T/5 Clarence L. and PFC Clyde W. Chapman. Details are found in a story on this page.

SOMEWHERE IN THE PHILIPPINES—It has not been unusual for two members of one family to meet overseas while serving in the armed forces. But the rarity of three brothers meeting simultaneously, was the recent joyous experience of PFC Howard A. Chapman, who until his enlistment in the service in October, 1942, lived in Klamath Falls.

Chapman, who knew his two brothers were in the approximate vicinity, finally, through the combined efforts of each of them, met on one of the islands in the Visayan group. The other brothers were T/5 Clarence L. Chapman of Seattle, who is serving with an engineer com-

bat battalion, and PFC Clyde W. Chapman, student at the Yakima high school prior to his induction.

The three men are the sons of Mr. and Mrs. A. O. Chapman of Yakima, Wash. Howard is the only one of the three who is married, and is the father of two children, all residing in Klamath Falls.

Left to right they are PFC

Howard Chapman, T/5 Clarence L. Chapman and PFC Clyde W. Chapman.

1st Lt. Ronald H. Hutchens, Marion apartments, who for the past three and one-half years has served in the army ground forces, will revert to inactive status January 14, 1946.
