

TRUSTEESHIP RECOMMENDED; REDS OBJECT

LONDON, Oct. 18 (AP)—Overriding the objections of Russia, Yugoslavia and Czechoslovakia, the United Nations executive committee today recommended the creation of a temporary trusteeship committee to handle international territories. The vote was seven to three.

The soviet delegate, Andrei Gromyko startled the committee with his opposition to a report, previously agreed upon in a sub-committee, to create a temporary committee.

Gromyko said the United Nations charter did not provide for a temporary committee, and gave no other reason. But delegates said privately they believed the Russian stand on Italian colonies might be a basic motive. Russia has indicated a desire for a share of Italian colonies for administration if these territories are not put under collective United Nations trusteeship.

Speed Formation
Adlai Stevenson, American deputy delegate, said he thought a temporary committee would speed the formation of trusteeships under the permanent arrangement.

Gromyko took his seat on the United Nations executive committee this morning after a swift and mysterious trip to Washington.

The temporary committee had been proposed in subcommittee reports as a means of getting around legal knots in the United Nations charter. The charter provides for a permanent council with members who administer international territories and an equal number who would not administer. It has been suggested that it would be impossible to set up a permanent council until trustee areas have been parcelled out.

Gromyko said the charter provisions for setting up the trusteeship should be carried out as "soon as possible," but added that "the soviet delegation objects to the temporary committee" because it is not provided for in the charter.

City Discussed
The question of the city where the United Nations will be seated permanently was discussed.

Minutes were released on an earlier meeting at which it was decided by a 9-3 vote that headquarters should be in the United States. China made the proposal, asking that San Francisco be the home of the organization.

Both Great Britain and France made it clear they intend to fight to have the peace agency established in Europe when discussions come up in the preparatory commission and first meeting of the assembly.

Geneva was most frequently mentioned by those demanding headquarters in Europe but the British delegate, Philip Noel-Baker, also suggested Austria and Denmark as possibilities.

Jenkins Will Talk At DAR Meeting

Frank Jenkins, publisher of The Herald and News, will be the speaker at the noon luncheon meeting of the 5th district, Daughters of the American Revolution, at Mills school library Saturday, October 20.

Eulonia chapter of Klamath Falls, Lake View chapter of Lakeview, Bend of Bend and Deschutes chapter, Redmond, comprise the 5th district of the Oregon society, DAR. Reservations for the luncheon may be made by telephoning 4349 not later than Friday noon.

NOW SHE SHOPS "CASH AND CARRY"

Without Painful Backache
Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are the chief way of taking the excess acids and waste out of the blood. They help most people pass about 8 pints a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it causes rheumatism, backache, migraines, leg pains, loss of pep and energy, getting up at night, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes show there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's gives happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Convict Escapes From Prison Work Gang

SALEM, Oct. 18 (AP)—Frank V. Terrale, 33, Multnomah county robber, was still at large today after escaping yesterday afternoon from a state prison work gang.

He entered prison in 1939 after being convicted in Portland for assault and robbery while armed with a dangerous weapon.

FORMER KLAMATH RESIDENT PASSES

YREKA — Louis Pappas, 59, Yreka, a resident of Klamath Falls for 20 years prior to moving to Weed and later Yreka about seven years ago, died at Siskiyou county General hospital here Tuesday morning. Mr. Pappas had been ill for several months and had been hospitalized since last July. Born in Greece on April 15, 1886, Mr. Pappas came to the United States about 40 years ago. He was a cook by profession and followed that line of work in Klamath Falls, as well as in Weed and Yreka later.

Only known survivors in this country are two cousins residing in Huntington Beach, Calif. His wife died seven years ago. Funeral services were being arranged at Upton's Mortuary at Weed.

ALUMINUM PLANTS TO KEEP RUNNING

WASHINGTON, Oct. 18 (AP)—President Truman disclosed today he wants to keep as many as possible of the war-built aluminum plants in production.

He told a news conference that administration policy with reference to their operation has not been established, but that private enterprise should do the job.

He said, in response to another question, that he thought government subsidies would not be necessary.

Members of the senate military affairs, small business and postwar planning committees have been hearing testimony this week on plans to dispose of the government-owned plants. They cost approximately \$700,000,000.
