

JEANS NAMED AT FREMONT JUNIOR HIGH

Deans of Fremont junior high school were named at a meeting of school board No. 1, held Monday night in Klamath Union high school. A. J. Jones, formerly in charge of the school system for a number of years, was named dean of girls and Charles McLin, who joined the Fremont staff this fall, will serve as dean of boys. McLin is also in charge of boys' athletics and physical education.

Mrs. Jennie Mills, third grade teacher at Fremont, was granted a leave of absence by the board, due to ill health. A release was granted Mrs. Roberta Roy, first grade teacher at Conger. Mrs. Roy's husband is returning from service and they plan to make their home in the mid-west.

Three people were named to the city school staff. They are Mrs. Agnes Lageson, third grade at Pelican; Ruth Jones, formerly in charge of the kindergarten at the Boyd Spragues, first grade at Pelican; Mrs. Beryl Clark, second grade at Roosevelt.

Improvements Eyed
Lighting improvement in all buildings in the city system is contemplated and the board Monday night authorized Arnold Gralapp, superintendent, to investigate an immediate study determining the type of equipment which will be installed.

School attendance is increasing, Gralapp reported. There are now 200 more students in the elementary schools than at the opening of the school year in September, 1945. The major congestion is developing at Mills school which now has an enrollment of 80 pupils. Plans are underway for one additional classroom, formerly the old manual training room at Mills. The room will be divided and a standard classroom provided by December 1.

Jean Hammers was named to a full time assignment in mathematics and general science at K.U.H.S. and Ruth Van Hoesen was named to a half-time assignment in English.

Superintendent Gralapp was authorized to set up study for improvement of facilities on Modoc field.

Lloyd Seeley, county sanitation and also county attendance officer, is taking over the latter job for both K.U.H.S. and District No. 1. This appointment is in cooperation with the state program of compulsory attendance which now covers ages seven to 18.

It was announced at the board meeting that the marine vocational program has terminated and with release of these classroom facilities, it will soon be possible for the board to organize vocational classes for returning veterans and out-of-school youths and adults in the Klamath basin.

37 DISCHARGES RECORDED HERE
The county clerk's office had a busy day yesterday recording the discharges of 37 Klamath men and women recently released from the service. Each ex-service man or woman having discharge papers recorded by the county clerk receives a photostatic copy of the papers and another copy is filed in the office. There is no charge to residents of the county. Discharges were recorded yesterday for George A. Fibber And Molly Lose Ranch Home

BAKERSFIELD, Calif., Oct. 23 (AP)—The ranch home near the intersection of Mr. and Mrs. J. E. Jordan, Fibber McGee and Molly of the radio, was destroyed by fire of undetermined origin yesterday. The loss was estimated at \$8000 by Fire Chief G. D. Ingersoll who said the home was being remodeled and was without furniture.

FORMER KLAMATH RESIDENT PASSES

Mrs. Fred H. Poudier, 70, for eight years a resident of 2012 Main, died Tuesday at her home in Los Angeles following a lengthy illness. Mrs. Poudier's daughter, Mrs. Charles C. Clulley, 524 High, left for the south today to attend funeral rites for her mother which will be held at Forest Lawn Memorial Thursday or Friday.

Mrs. Poudier's husband, the late Fred Poudier, was well known to railroad men here. He served as dispatcher for the Great Northern and shortly after he was retired was killed in an automobile accident a little over two years ago. Mrs. Poudier had made her home in Los Angeles since that time.

5 INFANT DEATHS REPORTED HERE

Five infant deaths were reported in Klamath county during the month of August, bringing infant deaths thus far in 1945 to 26, according to this week's Oregon Health Bulletin. August deaths from communicable diseases in Klamath county totaled two, one from tuberculosis, the other attributed to pneumonia.

Ten cases of communicable diseases were reported in the bulletin for the week ending October 13. They were: chicken pox, 1; measles, 1; mumps, 1; pneumonia, 1; scarlet fever, 2; gonorrhoea, 3; syphilis, 1.

Negro Freed Of Murder Charge

PORTLAND, Oct. 23 (AP)—Otto Johnson, 31, negro, today had been freed of a second degree murder charge in the fatal stabbing June 14 of Mae Blackwell, negro woman.

A jury found him innocent in less than an hour. Johnson pleaded self-defense.

PARTNERSHIP?
POPLAR BLUFF, Mo., Oct. 23 (AP)—Jeff Woods, veteran livestock dealer, is nursing a mighty sore jaw and a very suspicious nature in a hospital room here.

Woods thinks maybe the mule that kicked him may have some kind of a "working agreement" with his former owner. "The mule," Woods said, "proved faithful to his old boss—an undertaker."

CHICAGO, Oct. 23 (AP)—Grain futures traders, highly sensitive to developments in other markets and in wage and price control fields, lost their recent bullish enthusiasm today and prices slid downward in closing transactions from the early highs.

Depressing factors included recessions in the stock and cotton markets, rejection by United States Steel of a union

demand for a \$2 a day general wage increase, and Price Administrator Chester Bowles' declaration before a congressional committee that there still would be need for price and rent control after next June.

Final prices, however, were generally equal to or fractionally above those of yesterday.

At the close wheat was unchanged to 1/4 higher than yesterday's finish, December, \$1.76 1/2; corn was 1/4 lower to 1/4 higher, December, \$1.18 1/2; oats were 1/4 lower to 1/4 higher, December, 64-64 1/2; rye was unchanged to 1/4 higher, December, \$1.58 1/2-1.59; barley was 1/4 to 1/4 higher, December, \$1.17 1/2.

HOUSING EYED FOR OREGON CAMPUSES

PORTLAND, Oct. 23 (AP)—The state board of higher education will ask national housing authorities to speed transfer of surplus war housing to Oregon college campuses, Board President Willard L. Marks said today.

Marks reported the move was suggested by Governor Snell as the only apparent means of providing immediate housing for war veterans, particularly married servicemen, already overtaxing the state's colleges.

Dr. Charles D. Byrne, board secretary, left today for Washington, D. C., to take up the proposal with housing officials after Gov. Snell talked to them by telephone, Marks said.

Emergency Housing
The board reported 40 NYA housing units at Skinner Butte near the University of Oregon campus have been made available on lease for war veterans' families. Married veterans at the Eastern Oregon College of Education at La Grande will be able to use 40 units of a war housing community opposite the campus, Marks stated.

PIN-WORM ITC MAY THREATEN YOUR CHILD'S HEALTH

Don't let your child suffer a single needless minute of distress with Pin-Worms! Recent medical reports indicate that an amazing number of children (and grown-ups too) may be victims of Pin-Worms—often without suspecting what is wrong. So watch out for the warning signs—especially the tormenting, embarrassing rectal itch. Because now you can, and should do something about it!

A highly effective way to deal with this ugly infection has now been made possible. It is based on the medically recognized drug known as gentian violet. This special drug is the vital ingredient in P.W., the Pin-Worm tablets developed in the laboratories of Dr. D. Jayne & Son.

P.W. tablets are small and easy to take, and they act in a special way to remove Pin-Worms. So, if you suspect Pin-Worms in your child or yourself, get a box of JAYNE'S P-W right away, and follow the directions. Ask your druggist: P-W for Pin-Worms!

★ HAMLET, one of the world's most famous plays, is read, performed and loved throughout the world. Written by Shakespeare in about 1600, Hamlet would claim immortality if for no other reason than the superbly moving Soliloquy—"To be or not to be..." In this play are captured for all time the essential grandeur and tragedy of human life and aspirations.
