### New Midget Car Due in '46

The new Bobbi Car—pint-size like bobby-soxers—shown in preliminary drawings, above, is promised for the market in 1946. Manufactured by a group of San Diego, Calif., business men, it will be turned out at the now vacated Consolidated Aircraft parts plant building. It will be slightly smaller than a jeep, travel as fast as any other car, according to the makers, and get 50 miles on a gallon of gas.
