## Turned Her Into Salt

Let's wife looked back on Sodom, city of putrid sin, and God turned her into a pillar of salt. In spite of God's warning, she looked back and the punishment fell. And just so, God has this command for us—"This is His commandment, that we should believe on the name of His Son Jesus Christ." Christ's name stands for all that He did as dying for our sins and all that He is to His people, as the Risen Lord. Feelings or no feelings, the Bible says you are saved from the instant your heart settles it that Christ died for your sins. Now go forward. Being saved, receive Him as the Lord of your life and live by Power From On High.

He that hath Christ hath life. The unbeliever goes out lost and under the wrath of God. His lot is with the murderers, all liars and the unclean. Do you die saved or lost? This is the day of salvation. What does your heart say?
