

City Briefs

Return — Major and Mrs. Walter Jendrzewski arrived home this weekend from San Francisco where the officer flocked a week ago from the South Pacific after long service. Major Jendrzewski is a former Klamath county agricultural agent. He met his young daughter Ann for the first time on his arrival here. They are visiting at the home of Mrs. Jendrzewski's mother, Mrs. Delphine Lyman of Mitchell street.

Expected Home — T/3 Lloyd Froom advised his wife, the former Margaret West, that he expected to sail at any time in late October from LeHavre, France, and would be home by Thanksgiving. Mrs. Froom, employed at the California Oregon Power company, said the letter was written October 18. Froom was in Africa for 18 months and then was based at Chaumont, France, with an ordnance unit. He was formerly with Pacific Finance company.

To School — George Underwood, son of Mr. and Mrs. C. H. Underwood of N. 7th, left Tuesday morning for Boulder, Colo., to report to the University of Colorado for training in the navy's V-5 program. He will be stationed at the university for one year. George was graduated in June from Hill Military academy, Portland.

Son Born — A boy, Jay William, was born October 16 at the Marine Barracks dependents clinic to Sgt. and Mrs. William Jeffcoat. This is their first child. The mother is the former Shirley Fairclo, daughter of Mr. and Mrs. Jay Fairclo, Henley, and the child is the first grandson of the Fairclo, well known Klamath county ranchers.

Improving — Ralph Benoit, foreman at Ewanna Box company, is improving at Hillside hospital where he is being treated for injuries received in a hunting accident when his gun discharged and shattered one foot.

Local Visitor — Robert W. Cozad of the state highway commission is in Klamath Falls for a brief stay from Canyon City. He is at the Willard.

Visitors — Lillie Darby, music supervisor in the city schools who has been quite ill at Klamath Valley hospital, is now permitted to have visitors.

Duck Hunters — R. R. Nickelson and H. P. Salvador are spending a few days during duck hunting season in Klamath Falls.

Son Home — T/Sgt. Leland Cheyne, son of Mrs. J. A. Johnson of Henley, returned home Saturday after one and one-half years duty in the South Pacific with the 20th air force. Cheyne has been in the service for four years. He flew home from his base in Tinian, arriving in Sacramento. He and his wife will make their home on the Cheyne ranch in the Spring Lake district and Leland will be associated with his brother William.

Chamber Visitor — William Sleddon of the United States chamber of commerce, arrived in Klamath Falls Tuesday and will remain until Friday visiting at Klamath chamber of commerce meetings. He is covering his territory which includes the Pacific northwest.

Snow and Rain — Mrs. Charles R. Stark drove a friend to Weed Tuesday afternoon to visit her son in the hospital there. They crossed the summit at 1:30 and encountered rain. Coming home at 5:30 p. m. it was snowing on the summit and they noted several cars apparently in trouble on the highway.

Halloween Baby — One Halloween baby was reported born at Klamath Valley hospital October 31, when a son arrived for Mr. and Mrs. C. R. Pomeroy, route 1 box 585. The child weighed 7 pounds 12 1/2 ounces.

Church — Aloha chapter, Order of the Eastern Star, will attend church in a body at the Presbyterian church Sunday at 11 o'clock. All members and visiting members are invited.

Back From Portland — Dr. Haler of the Columbian Optical company returned to Klamath Falls from Portland where he has been during the past month on October 29.

Elks Party — All Elks and their ladies are invited to an apron and overall dance to be given tonight, Halloween, at the Elks temple.

Child Ill — Mrs. Stewart Snell, fourth grade teacher at Riverside, is at her home, 1822 Earle, caring for her young daughter who is ill with scarlet fever. Mrs. Snell will be at home for two weeks. During her absence, Mrs. Donald Gram is substituting at Riverside.

Moves North — Louis Johnson, who was seriously injured in an automobile accident here October 22, was moved to the hospital at his home in Everett, Wash. His brother, Everett, remains at Klamath Valley where his condition was said improved today.

From Seattle — Mr. and Mrs. Roy J. Browne of Seattle, formerly of Klamath Falls, are visiting here at the home of Dr. and Mrs. Leslie W. Peate, Lincoln. Browne is getting in some duck hunting while here.

Goes South — 1st Lt. Donald Kirkpatrick, US army air corps, who spent a leave here with his parents, Mr. and Mrs. L. F. Kirkpatrick of Eldorado, left this weekend to report back to the army air field at Midland, Tex.

Returns South — Jean Hauger, who has been here the past two weeks visiting Mr. and Mrs. H. E. Hauger of Pacific Terrace, returned this weekend to her home in San Francisco.

Returns Home — Mrs. Robert Hunt and infant daughter, Nancy Patricia, were to leave Klamath Valley hospital Wednesday for their home in the Spring Lake district.

In Medford — Mr. and Mrs. John Sandmeyer spent the past weekend in Medford where Sandmeyer was interested in the district meeting of the Junior chamber of commerce.

Holy Communion — There will be celebration of Holy Communion in observance of All Saints Day at 10 a. m. Thursday at St. Paul's Episcopal church, it was announced by the rector, the Rev. F. C. Wissenbach.

VFW Meeting — Pelican Post 1383 of the Veterans of Foreign Wars will hold its regular meeting Thursday evening in the KC hall. The meeting will be from 8 to 9 o'clock. All members are asked to be present in order to make final arrangements for the post Armistice Day program.

Ward Ill — John Ward, operator of the city dog pound, was moved by ambulance at noon today to Klamath Valley hospital. Ward is seriously ill and may be suffering from pneumonia. He is a former Dunsmuir resident. Ward returned from duty some time ago in the Iran area.

From Portland — Mr. and Mrs. Harry Jones of Portland, with their young son Stephen Lane, are visiting here with her parents, Mr. and Mrs. Charles McCandless of Worden street. Mrs. Jones is the former Lenore McCandless.

Warren Discharged — Chief Carpenter Roland T. Warren of the U. S. navy reserve, was discharged this week under the point system. Warren is a Klamath civil engineer.

Market Trip — Mr. and Mrs. Keith Moon and Gladys Hogue of the Town shop will be out-of-town for a few days. They are leaving Wednesday evening for a market trip to Los Angeles.

Local Visitors — Mr. and Mrs. Ronald White are visiting at the B. J. Loftsgaard home this week. White recently received his discharge from the army air corps.

Liberated — Among the Oregon men liberated as a prisoner of war of the Japanese, is PFC George E. Young, son of Mrs. Rachel Young of Lakeview.

From Washington — William T. Sleddon is in Klamath Falls on government business from Washington, D. C.

AROTANE
DUAL OCTANE QUALITY GASOLINE
FOR ACTION!

★ The recent introduction of AROTANE—the Dual Octane Quality premium gasoline—has made motoring history. For AROTANE brought to automobiles an entirely new, perfected road performance long sought but never before achieved. On hills for example, AROTANE gives you full power without even a trace of knock or ping.

This is because, in AROTANE, all component parts—even those providing extra power and mileage—are high in octane (anti-knock) rating. Thus AROTANE is a gasoline which gives you, for the first time, more power and more mileage—at the same time assuring easy starting and freedom from vapor-lock. The volume production of these all-high-octane components is made possible by Associated's operation of the world's largest Fluid Catalytic Cracking and other modern refining units.

Whatever your experience with new premium gasolines, we invite you to expect a new and

better all-round road performance with your first tankful of AROTANE—on sale at your nearby Helpful Associated Dealer's.

Here's What Dual Octane Quality Is—and What It Does for Your Car: Aviation and automotive technicians alike have determined that one octane test of gasoline is not enough, because engines differ in design, and operating conditions vary widely. The requirements to satisfy these extremes were determined through the two recognized octane-testing methods. Thus, AROTANE—the Dual Octane Quality Gasoline—was developed to guarantee top road performance under all conditions, in all cars at all speeds. These recognized test methods used by Associated employ extreme and critical conditions of speed, load and temperature to measure gasoline performance. AROTANE's octane measurement by both tests assures Dual Octane Quality.
