

Anti-Zionist Riots Break Out In Cairo; Six Killed, Hundreds Wounded In Egypt

By FRED KRIEG
 CAIRO, Nov. 3 (AP)—Anti-Zionist riots broke out in Cairo today but were swiftly suppressed by police.
 Heavy patrols remained on duty throughout the city to prevent further renewal of the bloody violence which yesterday cost six lives in Alexandria and left hundreds wounded in Cairo, Alexandria, Port Said and other Egyptian cities.
 Maj. Gen. T. W. Fitzpatrick, acting commandant of Cairo police, personally directed his men as they broke up crowds which were stoning business establishments in the city's main business district today.
 Windows of most shops along Soliman Pasha street were smashed and merchants were forced to shutter their stores before the short-lived outbreak was quelled.
Assassination Attempted
 (An Exchange telegraph dispatch received in London from Cairo said an attempt was made to assassinate the Lebanese president, Bechara Al-Khoury, near Beyrouth yesterday.
 The president was driving with his wife when a shot was fired from an approaching car, the dispatch said, but neither was injured. The other car sped away.)
 The new flare-up came after Prime Minister Nokrashi Pasha had blamed the Balfour anniversary fighting yesterday upon "riffraff" and predicted there would be no recurrence of mob violence.
 The rioters stoned the Metro cinema on the main thoroughfare. The theatre is owned by Metro-Goldwyn-Mayer.
 Then they swept on to other main squares. Police toured the city in army trucks in an effort to forestall further fighting.
 Crowds continued to mill through Cairo's Malika Farida square, center of the capital's heaviest battles yesterday. Jewish shops in that section made no effort to reopen. Heavy police patrols protected them from looting.
 Shouts of "down with Zionism" were heard as college students demonstrated within their school grounds.
 American troops remained restricted to their barracks. Before the new riots broke out, the British had expressed hope that restrictions on their forces could be lifted today.
 In Alexandria's shopping center not one pane of glass remained intact. Communications were at a standstill, cafes closed and theatres not operating.
 Premier Nokrashi Pasha said that Cairo casualties totalled 320, including 90 police, while 200 were injured in Alexandria. He reported 310 arrests in Cairo, including 150 for looting.
 The premier, who drove to the scene of one of yesterday's riots, said he personally arrested several looters when the mob raided a large department store.
 "I seized them by the scruff of the neck and placed them under arrest," the premier said.

SIDE GLANCES

"You've been up here half an hour deciding what to wear—I don't see how you ever managed to get dressed in time for revenge!"

CHINESE WAGE BITTER FIGHTS FOR RAILROADS
 attacking Tatung in Shansi province to the southeast of Kewisul.
 Another 100,000 communists at Kalgan, in Chahar province, were under orders of their leaders to hold at all costs that ancient great wall point of entry and exit between Inner Mongolia and north China.
Powers Invited To Afghanistan
 CORVALLIS, Nov. 3 (AP)—Dr. W. L. Powers, head of Oregon State college soils department, today was debating an invitation to Afghanistan to help supervise construction of a 450,000-acre irrigation project.
 The invitation came from the Afghan legation in Washington. Dr. Powers, who has worked on government projects in both Russia and Argentina, said he doubts whether he can accept this offer, because of duties here.
Vets Register At Employment Office
 A large number of returned veterans are registered at the United States employment office with Les Finley and Thomas F. Starr in charge of veterans' employment.
 Many veterans have been placed in civilian employment during the past few weeks, but others are still available for employment, according to Finley and Starr, who urge employers to place calls for help with them.
 Starr has recently been discharged from the marine corps. He was stationed at the Marine Barracks here before his release from service.
 Both Starr and Finley plan to attend the training and council meetings in Portland this coming week, and are leaving this weekend. Finley will return Thursday, and Starr will be back Saturday.

CHINESE WAGE BITTER FIGHTS FOR RAILROADS

 communists previously spurned government requests to withdraw from railroads in return for sanction to hold certain areas.
 More than 200 miles northwest of Peiping a government garrison at Kweisul was in danger of losing that Suiyuan provincial capital in Inner Mongolia to besieging reds. The attackers, estimated at high as 120,000 men, were moving on the city from two sides.
 Red forces also were reported

attacking Tatung in Shansi province to the southeast of Kewisul.

CIO MEETING SLATED HERE NEXT TUESDAY

(Continued from Page One)
 were "friendly." In Coos Bay, negotiations began between the AFL and 11 large coast operators. A third session was reported going smoothly at Aberdeen with one Grays harbor operator.
 The AFL strike has shut down the Big Lakes mill here and numerous other plants in the Klamath basin district council area, including the mills at Lakeview. AFL men here have not attempted to picket the CIO mills in the area.

BOND PURCHASE LAGS
 PORTLAND, Nov. 3 (AP)—Oregon has purchased only 7.7 per cent of its \$69,500,000 Victory Loan quota, but 17 per cent of the campaign time is over, officials said today.
 The sales figure stands at \$5,358,520 — \$1,827,865 in E bonds.

WEATHER
 NORTHERN CALIFORNIA — Clear today, tonight and Sunday; warmer afternoons; gentle northwesterly wind off coast.
 OREGON: Cloudy in south and partly cloudy in north, portion today, tonight and Sunday. Warmer today. Gentle northwest winds off coast.

Passenger Ship To Sail For Orient

SEATTLE, Nov. 3 (AP)—Posted to sail at 5 p. m. yesterday as the first postwar passenger-carrier from here to the Orient, the Liberty ship Sylvester Pattie was delayed here today by crew trouble. Because she has 10 passengers for Shanghai, the ship's cooks and stewards union members asked an increase in their department and an adjustment of overtime pay.

CHRISTENS SHIP
 PORTLAND, Nov. 3 (AP)—Mrs. Mon C. Wallgren, wife of Washington's governor, christened the SS Washington Cedar, a 4000-ton lumber cargo vessel, at Albina shipyard last night. She was attended by the governor's secretary, Reatha Chance.

WALKOUT HOLDS UP RETURN OF TROOPS

(Continued from Page One)
 military personnel who have served their country. The failure to resume work on these troop-carrying vessels is a definite hindrance to fulfillment of the promises that have been made by this government to return the armed forces with the promptness to which they are entitled.
 Meanwhile, labor and management had split over the question of joint negotiations. Each blamed the other in telegrams to the U. S. conciliation service in Washington.

WHAT PERFORMANCE, WHEN THEY'RE **LINED UP!**

PROPERLY ALIGNED WHEELS MEAN:
 Effortless steering . . . freedom from "shimmy" . . . longer tire life . . . less wear on front-end parts.
 Drive in for our wheel alignment and balance check-up.

"IT'S A GREAT FEELING TO BE BACK HOME!"

After twenty-one months with the Seabees in the South Pacific, Klamath Falls really looks good to me. Mrs. Smith and I are both very happy to be back in Klamath Falls and once again to open our doors for business.

We will be happy to see our old customers and we invite everyone to come in and see us. We will operate our business on the same basis as we did before the war, specializing in electrical contracting, electrical supplies, electrical appliances and commercial refrigeration. Our motto will continue to be—

"COURTESY ALWAYS"

ELECTRICAL CONTRACTING

We give the same consideration and attention to a small job as we did the larger contracts, like the original airport lighting job at the Klamath Falls Airport (1942), the Eugene Airport (1942), the Redmond Air Base, Redmond, Oregon, (1942-43). If it's a base plug, a chain pull light, theatre or sawmill, we are interested. All types of wiring.

ELECTRICAL SUPPLIES

If you are wiring your own house, barn, spud cellar or pumping unit, come in and buy your electrical supplies from us. We will be happy to give you any and all information that you might need to make your installation. Whether it is a yard light, or a 40 H. P. electric motor, get the right information free. Our material prices are competitive. We will have electrical appliances as they are available.

COMMERCIAL REFRIGERATION

We service all makes of commercial refrigeration units. We sell commercial refrigeration and air conditioning units. It is our intention to give you the best of service at a fair price, backed by 15 years of experience in the refrigeration business.

HOME FREEZER UNITS

We will build for you . . . a home freezing unit to fit your needs, large or small. Combination units, walk-in coolers with a sharp freezing unit in it, suitable for aging meat, and general use. This equipment is ideal for farm or ranch use, it's a miniature cold storage plant in your own home. Now is the time to order your unit for next spring, so you will have it for the early canning season. We will have the small factory-built home freezers as they are available. Before you buy a home freezing unit, may we suggest you see us to be sure it is suited for your job.

REMEMBER--
 "You are always welcome at Mark Smith & Co."
