

'Cats End 1945 Grid Schedule

31-0 Loss To Merrill Puts Record At One Victory And Six Defeats

By WESLEY ROBINSON
KUHNS Krater
Last Friday's 31-0 defeat by Merrill officially ended the Wildcat grid season, making their record one win against six losses, although the 'Cats will take part in the football jamboree on Modoc field Saturday afternoon.

Pat Hammond, halfback for the Huskies, was unstoppable last Friday, scoring all five of Merrill's touchdowns, three of them in the first quarter. One came on a 38-yard gallop and two others on passes from Quarterback Bill Noonan. The Wildcats were outweighed about 10 pounds per man in both the backfield and line by the smooth-working Huskies and threatened only twice, in the second and fourth periods.

Dale Walker, Ronnie Trotman, Walt Fotheringham and Carol Kandra played sterling ball in the Huskies' line, stopping Wildcat ground plays almost before they got started. A change in the Wildcat backfield was made during the playing with Jim Crossley at quarterback and Ray Zirkle filling the fullback position. Klamath resorted to passes late in the game, with Crossley heaving the apple, that proved more successful than a line-plunge. Fumbles again lost many chances for the 'Cats, besides setting the way for Husky touchdowns to be made. Merrill made or set up 24 points of its lopsided score on an end run and lateral type of play, used extensively last year by the Wildcats. Also, deception plays were used to good advantage in a variation of a wing shift.

Post-Season Game Eyed For Medford

Falling in line with the suggestion that the Medford football team play an inter-sectional post-season game, the Quarterback club voted yesterday to assist Medford boosters in arranging for the trip if the Toros are in the market for an extra game.

It is understood that some Medford citizens are getting up money to send the Tornado squad down to San Francisco to see the annual East-West game at Kezar stadium New Year's Day, so they may not be interested in playing an inter-sectional game. Also the club decided to select a citizens' committee at its next meeting to work with the high school and grade school coaches and players, mainly to iron out wrinkles in the football setup and find means of bettering Klamath Falls' future gridiron outlook.

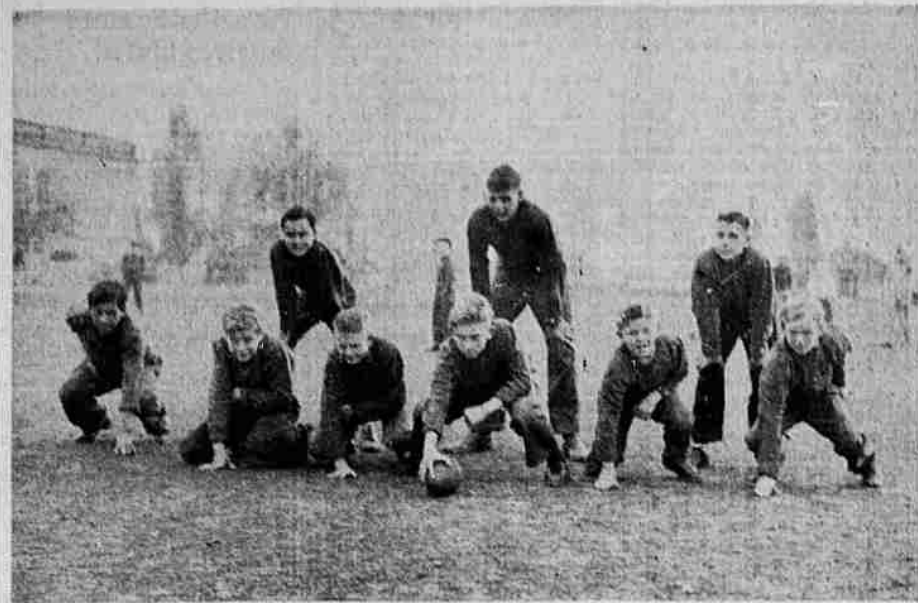

A committee of this sort was in operation before the war and that time football was at its highest peak here. Lt. Col. Raymond W. Hanson of the Marine Barracks who was a football and basketball coach in Indiana as a civilian, was the principal speaker at Monday's luncheon. His talk concerned postwar football, particularly in Klamath Falls, and he stated that the youth of a good many boys on the Pelican squad was one of the biggest handicaps the local team had this year.

Coach Paul Angstead declared that last week's game with Eugene was the best his boys have played all season. He had as his guests at the luncheon Scott Reed, tackle, who will play his last game for the Pelicans against Bend, and Bob Mocabee, halfback. Next Monday's meeting will be the last for this year for the Quarterback club, and officers for next year will be elected then.

Welch Gives Huskies Lecture On Fog

SEATTLE, Nov. 6 (AP)—Washington Husky's Coach Pest Welch spent the first practice session for this week's coming football fracas with Oregon State lecturing his boys on fog.

He is, it seems, afraid of running into the murk one of these Saturday's. "Mental and physical fog—like we did in Berkeley," he explained. He may have been thinking mostly of the mental kind. The Huskies have been stopped only once this season, by the Berkeley boys of the University of California.

This Mills school touch football aggregation ran wild over all opposition in the city grade school league this year, winning eight games without having a point scored against them, and clinched the season by walloping Riverside 19 to 0 for the 1945 title yesterday afternoon. They are coached by Johnny Lynch of the Marine Barracks. Shown above, the starting line-up, are, left to right: Alfredo Herrera, Leonard Reynolds, Frank Arnold, Ronnie Dimmick, Benny Shepherd, Tom Casper, Bert Buffington, Jerry Liable and Gaynor Huck are in the backfield.

ARMY, IRISH STILL LEADING

By MURRAY ROSE
NEW YORK, Nov. 6 (AP)—Alabama's big Red Elephants and St. Mary's fleet teen-agers have zoomed into higher positions in the ratings of the first 10 college football elevens as the result of their latest impressive triumphs.

Alabama, fourth a week ago and almost a cinch to maintain its unbeaten and untied record, jumped into third ahead of Navy following the Crimson Tide's 60-19 massacre of Kentucky and the Tars' second narrow squeak in a row, a 6-6 tie with Notre Dame.

The Gaels from California proved their class Saturday in walloping Southern California 26-0 and sports writers the country over, voting in The Associated Press' weekly poll, showered enough ballots on Jimmy Phelan's gridders to boost them into fifth place. The all-conquering Gaels were rated eighth last week.

Army and Notre Dame still ran one-two in the balloting but the Irish had a narrow edge over Alabama.

Of the 101 votes cast, Army received 86 first place nominations and 982 points, based on 10 for first, nine for second, etc. Notre Dame collected three top votes and 804 points while Alabama garnered four first placers and 799 points.

Navy got three first place votes and 702 points. St. Mary's was honored with two top bids and 488 points and sixth place Indiana was the recipient of the three other No. 1 votes and 485 points. The rest of the top 10 was made up of Michigan, Ohio State, Pennsylvania and Columbia in order.

It was Columbia's first trip into the first 10 and Oklahoma's Aggies, idle last Saturday, made room for the Lions by dropping from ninth to eleventh.

Three of the big contests next Saturday match members of football's aristocracy. Army vs Notre Dame at the Yankee Stadium, Navy opposes Michigan in Baltimore and Columbia and Pennsylvania will battle it out for Ivy league honors in Philadelphia.

High Schools Eager For Jamboree

When the various high school grid teams in this district were contacted about the Saturday afternoon football jamboree, without exception they jumped at the chance of appearing on Modoc field, offering immediately to bring along their bands, cheer leaders, whole student bodies and families, so a crowd as big as the one at the Medford game will probably show up at the field for the jamboree. At a bond each, the show is expected to give the Klamath county Victory Loan drive a big boost toward reaching the quota.

Along with the jamboree the marines here will be celebrating the corps' 170th birthday, holding open house at the Barracks, so people coming into town for the football fiesta are invited to go out and look the military installation over.

Cook Going Great At Jefferson

Anyone wanting to find Marble Cook after working hours these days would do well to look around the Portland greyhound track. In addition to his football chores at Jefferson high, Marble is a pari-mutuel bookie at the dog races.

Cook's Jefferson team is setting the City of Roses high school grid league on fire this year, undefeated as yet and facing the Grant Generals for the city title next Friday. The winner of that game will probably have a crack at Medford later on.

Marble Cook introduced the T at KUHS last year and also a number of the same plays the Pels are using now. He had only indifferent success during the season—won three, lost three, tied one—and wasn't too popular with the armchair quarterbacks. So he left here, went to Portland and now has one of the four best high school teams in the state, using the same system and same plays he taught here.

Preview Of 1949 Pelicans

Out on the rocky Mills field yesterday afternoon we saw a couple of Pelicans of 1949 in action as Mills beat Riverside 19-0 for the city grade school touch-tackle laurels.

A stocky youngster named Gaynor Huck and a tall, rangy kid named Jerry Liable put on the best broken-field running—and in that game that means ball-totting without a hand being laid on you—we've seen on any gridiron this year, and the same two lads have been doing it right along in the grade school tourney.

Huck ran back a punt 45 yards to score, Liable took the next one back 50 yards, and then Huck intercepted a pass and jogged 25 yards over the Riverside goal. That was all the scoring, but Huck made another 45-yard gallop that was nullified by a penalty.

When the Quarterback club gets its citizens' football committee into operation its first job ought to be seeing that those two boys don't quit school, move out of town, get killed or do anything else drastic before they are old enough to play for the Pelicans.

The committee can also keep a fatherly eye on Dale Carr, Bob Everett and Buzz Beck of the Riverside troupe.

Cleaning The Desk

Marine basketball hopes took another body blow this week when Eddie Meath came up for discharge. He'd already volunteered to stay in to play, but his name came up on a discharge order yesterday. Tickets for the Bend-Klamath game next Friday night are on sale at the chamber of commerce, and the unsold duets will have to be returned to Bend, so get yours before noon Wednesday. Jim Rodgers, who played wingback on the marine grid team last year until he broke his knee against Willamette, is back at the Barracks now. He's been to China since leaving here last winter.

Riverside Drops 19-0 Deciding Tilt; Roosevelt In Third Place

Beating Riverside 19 to 0 yesterday afternoon the snappy Mills school touch-tackle outfit clinched the grade school supremacy for another year and rounded out an undefeated, untied and unscored upon season.

Gaynor Huck, Mills high-scoring halfback, opened the scoring in the first quarter by taking a Riverside punt and dashing 45 yards into pay dirt. He kicked the extra marker from placement.

Then a few minutes later Jerry Liable pulled the same stunt, snaring a punt on the 50 and travelling across. A pass for the point was no good.

The third touchdown came late in the second quarter when Huck intercepted a Riverside pass on the 25 and outran the entire field to score. At the start of his run he had good blocking by Alfredo Herrera, Liable and Bert Buffington.

With the count 19-0 the scoring ended, although Mills came close in the last quarter. It was Huck again, around end for 45 yards, but a penalty called the play back.

Freak Gunshot Kills Hunter In Lake County

Bob Neal, Fort Rock rancher, killed in a hunting accident while winding up deer season in Lake county last Friday, was the only hunting fatality in that county so far this season.

Neal, a former navy man, was killed when a .303 Savage rifle in the rear of a jolting pickup truck was discharged. The bullet passed through his left side, shattering his arm.

The accident occurred about 15 miles south of Neal's ranch in the Conley hills region, and Neal was rushed to a hospital in Bend, where he died four hours later. In the truck with Neal at the time of the accidental shooting were Conrad Dahl of Silverton, the driver; Ken and Ted Moody of Bend, and Darrell Stevens and Ed Buechert of Silverton.

Dahl, Ken Moody and Neal were in the truck seat.

Charlie Gehringer Quits Baseball

JACKSONVILLE, Fla., Nov. 6 (AP)—Declaring he was all through with baseball, Charlie Gehringer, former Detroit second baseman, was released to inactive duty here yesterday at the Jacksonville naval air station.

Gehringer, who attained the rank of lieutenant commander after 43 months of active duty with the navy, has been a big name in baseball since 1926. He said his plans were to return to Detroit where he is a partner in a manufacturing agency.

Cadets Want New Year's Bowl Game

NEW YORK, Nov. 6 (AP)—Army all conquering gridders would like to play in a Bowl game New Year's Day, says Lt. Col. Carl Hinkle, assistant coach at West Point.

"The boys want to go," Hinkle told the New York football writers at their weekly luncheon yesterday but he pointed out the final decision on bid, if any comes, will be up to West Point Superintendent Maj. Gen. Maxwell D. Taylor.

The former All-America center at Vanderbilt indicated the cadets were thinking in terms of the Rose Bowl in Pasadena, Calif. He remarked that California would like to see Glenn Davis and Glenn would like to see California (Davis' home state).

"I know he'd like to play in a football game for his folks. Besides, it would give our men a chance to see the western part of the United States."

Moon Mullins Will Coach Santa Clara

SAN FRANCISCO, Nov. 6 (AP)—The last major football coaching post in the San Francisco Bay region has been filled by the appointment of Laurence A. (Moon) Mullins as head grid mentor at the University of Santa Clara. The former Notre Dame backfield star will assume his new duties December 1.

He is now a navy lieutenant commander at Corpus Christi, Tex., where he is in charge of the physical training program and coaches the navy air station football team.

His selection was announced yesterday by the Rev. Father William C. Glinera, S. J., president of the university.

The choice was made from a field of 30 candidates, and gives Santa Clara another in a series of coaches who achieved playing fame at Notre Dame. Mullins succeeds Lawrence T. (Buck) Shaw.

Eastern Back Now Topping Grid Scorers

NEW YORK, Nov. 6 (AP)—Walter Trojanowski's three-touchdown spurge against Amherst Saturday boosted the University of Connecticut's classy back into first place among the nation's best individual football scorers with a total of 84 points.

In racking up 14 touchdowns in six games, Trojanowski moved past Terry Ragan, the former Redlands ace who is now with Southern California. Ragan, a Navy transfer, collected 12 touchdowns for 72 points in five games with Redlands but failed to cross into end zone in his one start for the Trojans. He didn't play Saturday against St. Mary's.

In the Pacific Coast conference, Bill Lippincott, Washington State, leads with 36 points.

Golf Pro Returns To Seattle From Navy

Seven-Way Mat Scramble Should Produce Fire

With their grocery and rent money at stake, the seven rascals signed for Mack Lillard's deluxe battle royal at the armory Friday night ought to put on a lively session before one of the boys gets tossed out of the ring and has to go home jingling nothing but carfare in his pocket.

The first guy out gets no pay except travelling expenses, so some local hotel can look for a fire escape departure Saturday morning.

Mills Gang Cop Speedball Tourney Lead

After winning the grade school touch tackle tourney, Mills school leaped into the front of the speedball meet now under way, beating Fairview 17 to 14 on Mills field Saturday afternoon.

Billy Benson of Mills was high-point man with seven points, while Harry Holten racked up five, Raymond Downs got three and Donald Wornick made two. Jack Ayres got four for Fairview, Glenn Ring and Bruce Dingler three each, Ronald Juniper two and Edmond Homer and Vera Fleet one each.

In another first round match Riverside won over Pelican 9 to 3. Dale Hicks, Dale Carr and Jerry Johnson each tallied three-point field goals for Riverside. Keith Holloway got a two-point touchdown for Pelican and Delbert Stone's penalty kick was their other marker.

Fremont defeated Roosevelt 11 to 4 in a game that was knotted at two-all at the half. Don Devori got four of Fremont's tallies, Gordon Davis got five and Denny Short made two. Howard Lightfoot, Eddie Mahan and Howard Stanger scored for Roosevelt.

Second round matches tomorrow afternoon will pit Riverside against Mills and Pelican meets Fairview. First game starts at 4:15 on Mills field.
