WHEAT

CHICAGO, Nov. 28 (AP)—Grain futures were strong most of the time today in quiet trading, with rye climbing around 3 cents a bushel at times, oats more than a cent, and wheat about a cent.

Good demand for cash grains, heavy flour purchased by the army and Great Britain, and a rally in the stock market were bullish influences.

It was indicated late last week that British buyers purchased about 10,000 tons of flour, and reports today were that British inquiry was for about 20,000 tons. Flour purchases by the army late last week totaled 800,000 bushels, compared with 700,000 the week before. Wheat closed unchanged to 1/4 cent higher than the previous finish, December \$1.18 1/2, January \$1.16 1/2, and March \$1.14 1/2. Rye was unchanged to 1/4 cent higher, December \$1.17 1/2, and barley was unchanged to 1/4 cent higher, December \$1.17 1/2.

Lost and Found

AT CITY POINT.
Keno Highway, phone 7238.
Stock dog, male, would like to find home for.
