

Take A Victory Bond—It's Free!

To take a bond—note that word "take"—is still a patriotic act. Do you remember reading the typical experience of George Lott, whose two arms were shredded by a mortar on the Lorraine front?

From his battalion aid station Lott was transported 4500 miles in easy stages, by ambulance, train and plane. He passed through three field dressing stations and five hospitals in France and England before being returned to the United States for final treatment and recovery. Your bonds paid for the care of all the George Lotts of the war.

And yet you can count on getting back \$4 for every \$3 you put in! So get bonds today—get them regularly—and hold onto them. That is about as close as you are likely to come in this life to having your cake and eating it, too.
