IMAGINE US!

giving each other permanents!

You can do it, too, in 2 to 3 hours at home!

What fun! And everyone's talking about the lovely, lasting waves and softly curling ringlets you get with a Toni home permanent. It's easy to do... and so inexpensive! If you can roll up hair on curlers, you can give a wonderfully successful Toni permanent—a wave that lasts and lasts! You'll love the looks and feel of your Toni wave! Hair is softer, lovely and easy to manage, for this is a creme cold wave... with a creme waving lotion that imparts luxurious beauty to the hair. The Toni Wave Kit contains everything you need for a glorious wave! Preparations are like those used in beauty salon-type permanents, are laboratory-tested. Wonderful even for children's baby-fine hair! So get your Toni Kits... today! If you aren't thrilled with the results, Toni will refund purchase price. **\$1.25** plus tax
