CONTAGIOUS COLDS NOW SPREADING!

Fewer colds! . . . Shorter colds! 50% less sickness from colds . . . that's the certified record of Vicks Plan in a great medically-supervised winter test among 2650 children. Right in your own home, this easy guide may do less—or it may even do more for you and your family. But with colds on a rampage, this tested plan is certainly worth trying today! Full details in your package of Vicks. Briefly here's what you do:

Put VICKS PLAN To Work Today!

OBSERVE a few simple health rules. Live normally. Avoid excesses. Eat simple food. Drink plenty of water. Keep elimination regular. Get plenty of rest and sleep. Avoid crowds and people who have colds.

IF A COLD THREATENS, put a few drops of clinic-tested Vicks Va-tro-nol up each nostril at first sniffle or sneeze. (Use as directed in package.) This effective, specialized medication is expressly designed to aid your natural defense against colds—and if used in time, Va-tro-nol helps prevent many colds from developing. (Even when your head is all stuffed

up from a mean head cold, Vicks Va-tro-nol relieves sniffle, sneezing distress, makes breathing easier.)

WHEN A COLD STRIKES, or slips by all precautions, rub clinic-tested Vicks VapoRub on back, as well as on throat and chest at bedtime. VapoRub penetrates to the cold-congested upper bronchial tubes with soothing medicinal vapors. It stimulates throat, chest, and back surfaces like a warming poultice. This penetrating-stimulating action works for hours to relieve misery of colds . . . invites restful, comforting sleep!

NOTE: If the miserable symptoms of the cold are not relieved promptly—or if more serious trouble seems to threaten—call in your family doctor right away.
