Bike Licenses To Go On Sale

New bicycle licenses will go on sale at the office of the municipal judge in the city hall Saturday, December 15, at 9 a. m. Recreation Director E. E. Hambrick urges all bicycle owners to secure their licenses at that time.

City ordinances require that all bicycles operated within the city bear the license number for the current year. The license will cover a two-year period and will cost 50 cents.

The public is reminded by the recreation department that any bicycle operated after sundown must be equipped with a light and a red reflector on the rear mud-guard or fender, to prevent accidents to the rider.

Information required when the license is secured includes frame number, make of bicycle, the type of frame, wheels, rims, seat and brake.
