Soldiers Ask For 'Justice'

SPOKANE, Dec. 11 (AP)—An appeal for an investigation and for "justice" from 21 soldiers who said they were sentenced to life imprisonment by court-martial was printed yesterday by the Spokesman Review.

The men are being held in Le Mans, France.

"We wait 3000 miles from our country, our home and families and for what—offenses committed in combat against the enemy who tried in every way to kill us," said the letter, dated Le Mans, November, 1945 and addressed to the paper.

"For obeying orders which were carried out we were court-martialed and many sentenced to death and life imprisonment," the letter said.

"We were treated much worse than the worst Nazi," it continued. "We have been rewarded for our fight against the enemy by being confined like dangerous criminals for many long, weary, hopeless months, while German soldiers who killed our soldiers are being freed and sent home to their families."

The letter listed none of the specific charges under which the 21 were sentenced. Most names signed to the letter gave only serial numbers or states from which the individuals came, although a few listed their home towns.

The letter asked that an investigation be made and the facts made public.

BELFAST, Northern Ireland, Dec. 11 (AP)—The 14,000-ton aircraft carrier Warrior, the first flat-top ever built for the Royal Canadian navy, will be commissioned next month at the Belfast navy yard.
