WE'VE had the "Man of Manhattan" all over the shop this week, and there's been such an interest in these new and individual gift toiletries for men that I think others would like to know about them. These can be purchased singly... In double sets of after-shave and cologne... or in complete sets of five items that include deodorant and hair dressing.

BUT quite the cleverest and man-about-townish are those packed in metal ice buckets, with a genuine recipe for an "Atomic Bomb" cocktail laid on top.

If you're still in a stew about what to give mother or sister, I would suggest one of our Hazel Shop's Christmas Gift Cards for a new permanent wave. I'm certain she'll be more than grateful.

I WANT to remind you again The Hazel Shop is accepting appointments for Monday, December 24th, but will remain closed the day after Christmas, December 26th.
