

Three Autos Stolen Here In Two Days

Three stolen cars have been reported to the city police in the past two days, and one was recovered by the owner shortly after it was taken.

A 1936 Ford pickup, belonging to Clyde Dixon, 1351 Crescent, was reported stolen from 11th and Oak Sunday night and later found by Dixon at the Lakeview junction.

H. M. Adams, 1841 Main, told police his 1936 Graham sedan was taken from 7th and Walnut late yesterday afternoon and has not yet been recovered. Also stolen was a 1938 Ford coupe belonging to Albert Husaker, Oregon rooms. This vehicle disappeared from Klamath avenue between 6th and 7th streets Saturday night.

Nine Bail

Three drunks, one drunk and disorderly, one person charged with disorderly conduct and one Indian accused of possession of liquor appeared in police court today. Nine drunks bailed out of jail, at \$10 each, and five traffic tickets were paid.

KUHS To Give Fine Concert

One of the finest Christmas concerts given by the Klamath Union high school will be presented this Wednesday evening in the high school auditorium at 8 o'clock.

The singing of Mozart's immortal "Gloria In Excelsis" by the 200-voice choir with orchestral accompaniment will be a never-to-be forgotten experience for all those attending.

The a cappella choir which has long been a favorite of Klamath Falls audiences will close singing a group of outstanding Christmas and sacred music.

Klamath Union high school also boasts some of the finest solo voices in years and many of these voices will be heard in solo parts. Soloists for the evening will be Dorothy Howry, Beth Chastain, Alyce Wells and Lola Wiseman.

The orchestra, which has devoted many hours to perfecting their program will play two movements from the Hadyn Symphony No. 2 in D Major, better known as the "London." John Best is director of the orchestra.

Special lighting effects and staging under the supervision of the newly-organized stage crew will be especially appreciated.

Members of the stage crew are: stage manager, John McClellan; electricians, Ron Guiley, Bob Baker, Gordon Scott, Mervin Nichols; properties, Vern Ericks, Dale Kensey, Darrell St. Louis, Bill Van Cleve; crew, Gordon Veltch, Stanley McClellan, Bill Almeter, Clifford Joplin, Don Boudon, Willard Brightman, Bill Harper, Clarence Hawre and Frank Wryn.
