

## New Angle Used To Sell Bangle Pins

A new angle was used at Al-tamount Junior high school to bring bangle tuberculosis pin sales over the top.

By permission of A. C. Olson, principal, five minutes will be taken off school time Friday for each classroom having 100 per cent in sales. All 14 rooms had 100 per cent and some went way over making the closing time Friday at 2:30 p. m. Ordinary closing time is 3:40.

Last Friday was bangle pin sale day and \$44 was collected. More pins were requested by Mrs. Letha Landis, sale chairman, and the sale continued to give each of the 407 students a chance to purchase one. To date 530 pins were sold.

Sacred Heart academy turned in \$4.45 from bangle pin sales, and Chillicothe school turned in \$31. Proceeds from the pin sales go to aid in the fight against tuberculosis in this county.

Because of sickness at many of the outlying schools reports on sales have not come in from all of them yet.

## Army, Navy Slash Scores

WASHINGTON, Dec. 20 (AP)—The army and navy both reduced their discharge point scores yesterday, making another 847,000 men and women eligible for release.

Effective December 31 the army cut the enlisted men's score from 55 to 50 and the officers' from 73 to 70. The announcement said this would qualify 600,000 to leave the service.

Effective January 1 the navy reduced scores to 36 for enlisted men, 43 for officers, 23 for enlisted Waves and 29 for Wave officers, a one-point drop all around.

The department said 237,000 would benefit.

## Supervised Coasting Program Successful

Supervised coasting on protected streets went off without a hitch Wednesday night as small fry flocked to the Portland, Worden and 2nd street areas, E. E. Hambrick, city recreation director, said today.

More volunteer traffic supervisors are needed for protection of the children, Hambrick said, and urged volunteers to call him at 7112.

Hambrick cautioned motorists to watch for traffic signs which are placed in the street at the ends of each coasting area.
