WHEN EVERY MINUTE COUNTS

For INSTANT STARTING under all conditions...it's

AROTANE FOR ACTION

GASOLINE

★ With AROTANE in your tank, you're on your way at the first touch of the starter, even in coldest weather. Starting difficulty due to the presence of low-volatility elements is eliminated. The "warm-up" period, too, is cut to the very minimum. Your motor is running smoothly and powerfully within seconds.

All the component parts of AROTANE, the Dual Octane Quality gasoline—even those contributing its extra power and mileage qualities—are high in octane rating, and of correct volatility for instant starting as well as for top road performance. This means smooth idling, freedom from stalling, smooth, fast acceleration, and complete absence of knock or ping under any condition.

Despite the superior qualities which make it outstanding in its field, AROTANE costs you no more than other premium gasolines. Fill your tank with AROTANE today, at your nearby Friendly Associated Dealer's. It's AROTANE for Action!
